## **The Edward Peake Home-School Agreement 'Live, Love, Learn'**

*"I will instruct you and teach you in the way you should go;  
I will counsel you with my loving eye on you."*

Psalm 32:8

### **School Vision:**

The community of Edward Peake C of E School share a vision for our young people. We work hard to make sure that our faith supports each individual at Edward Peake to flourish and challenges us all to live life to the full. We believe that pupils should enjoy their learning as much as their teachers enjoy teaching them and that everyone should strive to do their very best.

Live, love, learn - our guiding principles that children should be educated for life, contributing to their community regardless of their background and loved unconditionally, able to love others in return. Together we learn how to put our relationships first and reconcile if things go wrong. Moments of silence, prayer and reflection are golden times in a busy day when we deeply consider our values and how to live them.

We are determined that by the time Edward Peake pupils leave us, they will be confident and proficient in the core curriculum, independent learners, curious about the world around them and with a well-developed sense of personal responsibility. Our vibrant sense of community and our values-driven education really come alive on a daily basis.

### **School Expectations:**

At Edward Peake, we expect all members of our community to meet our three core expectations:

- To be safe
- To be caring
- To be learners

Our day to day interactions, our goals and our aspirations are all rooted in these core expectations. As such we ask that all pupils, members of staff, parents and carers and visitors to our school site, understand and meet these expectations.

At Edward Peake, we recognise each child as an individual, and aim to give all children every opportunity to realise their full potential. We believe that a close partnership between the school, parents and the child is essential if we are to achieve this aim. We therefore ask all parents/carers and children to sign up to our Home-School Agreement at the beginning of each school year.

### **The Responsibilities of the School**
