05 September 2024

Dear Parent/Carer,

We have been given an exciting opportunity to visit the Watford offices of KPMG. This part of their Opening Doors to Opportunities event.

KPMG is a multinational professional services network that provides auditing, tax and financial advisory services. KPMG firms operate in 143 countries and territories and collectively employ more than 270,000 people, serving the needs of business, governments, public-sector agencies, not-for-profits and through KPMG firms' audit and assurance practices, the capital markets.

Pupils will get the chance to visit the KPMG offices, work alongside KPMG mentors, and think about how they would utilise the latest cutting-edge technologies in a collaborative problem-solving challenge based on real life KPMG client briefs. They will also:

- Gain an insight into the world of work and the impact that technology is having on the workplace
- Take part in an office tour
- Develop their core transferable skills and explore innovative technologies
- Hear from professionals in the industry.

The visit will be on 10 October 2024, 11:30-15:20. We will travel to and from school on a coach.

As space at the offices is limited, we have been offered a total of 50 pupil places. The visit is free of charge but we ask that the cost of the coach is covered by those attending the trip. This cost will be approximately £8.50. This cost would not need to be paid until the end of September.

I would be grateful if you could register your child's interest in attending this trip by completing the form below:
