Dear Parent/Carer,

Today, your child was sent a Google form to their school email address to make their final choices for the options subjects for GCSE.

Pupils will need to select one subject from each block and a reserve subject. We have arranged the subjects in blocks to allow the vast majority of pupils to be able to select the three subjects they have previously indicated that they would like to study. With so many different combinations it is impossible to make this possible for every pupil.

The form needs to be completed no later than Thursday 3 April. If you wish to discuss with your child the choices they are making, please do so before they complete the form as the form can only be submitted once.

Confirmation of the subjects your child will be studying in key stage 4 will be sent to you after the Easter break.

Yours sincerely

K Rodgers
Assistant Headteacher
