Communication Policy

At Edward Peake, relationships are very important to us. We are committed to building successful working partnerships with parents/carers and maintaining clear communication between home and school is a vital part of this. Below are ways in which you can get in touch with us so that you know who to approach to ensure that your query is dealt with effectively.

From time to time parents may naturally have concerns about an aspect of their child's education. Often, those concerns will resolve themselves, but on occasion, parents may feel that the issue will need the school's help to be resolved. As partners in a child's education, the school wishes to work with parents in the resolution of problems and the Complaints Policy is designed to show what steps may be taken. Please ensure that the steps are followed as outlined in the policy. The Complaints Policy may be found on the school website www.edwardpeake.beds.sch.uk/school-policies/

We also welcome positive feedback!

Email Communication

Please direct all initial emails to info@edwardpeake.beds.sch.uk This means that your email can be directed to the right person and can be dealt with effectively. It also means that in the event of staff absence, another member of staff may be able to respond to you in a timely manner.

Please understand that a teacher who is teaching all day may not have the opportunity to check and/or respond to an email until after 15.45pm. Whilst we endeavour to respond within 24 hours, please allow up to 72 hours for an initial response. Emails sent after 15:20pm on a Friday may not receive a response until after school on Monday. You may also receive communications via Class Charts.

Telephone

If you would like to speak to a member of staff, please telephone the school office on **01767 314562**. Teachers are rarely able to take the call immediately as they are likely to be in the classroom but will endeavour to respond within 24 hours or at their earliest opportunity. It will help the teacher to respond to your query efficiently and effectively if you leave a more detailed message.

Face-to-face

If you wish to speak to a member of staff directly, please telephone the school office to make an appointment. Please understand that if you arrive without an appointment, there may not be anyone available to speak to you.

Values

As a Values School, it is very important that the values of respect, kindness and tolerance are consistently demonstrated throughout all interactions. Verbal abuse towards staff will not be tolerated and parents/carers behaving in a less than respectful manner may be asked to leave the school site or a telephone conversation may be terminated. Once emotions have cooled, a further meeting may be agreed or the school reserves the right to limit conversations to telephone and/or written communication.
