Attendance and Lates Policy

Introduction and Background

Edward Peake recognises that positive behaviour and good attendance are essential in order for students to get the most of their school experience, including their attainment, wellbeing and wider life chances.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly, and on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "[Working together to improve school attendance](#)" and it includes a National Framework in relation to absence and the use of legal sanctions. Edward Peake Attendance and Lates Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding;
- ensure every student has access to the full-time education to which they are entitled;
- ensure that students succeed whilst at school;
- ensure that students have access to the widest possible range of opportunities at school, and when they leave school.

It has been developed in consultation with school governors, teachers, parents and students. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the school's commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor student attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education (KCSiE), which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which students feel safe, secure and valued
- Raising and maintaining a whole school awareness of the importance of good attendance and punctuality;
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **It is an expectation of this school that students must attend every day, unless there are exceptional circumstances, and it is the headteacher, not the parent, who can authorise the absence.**

Promoting Regular Attendance

At Edward Peake School, we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our students from the outset. It is a central part of our school's vision, values, ethos and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

The name and contact details of the **Senior Attendance Champion** (the senior leader responsible for the strategic approach to attendance in our school) is:

Mrs T Jeffs

Email: info@edwardpeake.beds.sch.uk

Helping to create a pattern of regular attendance is the responsibility of parents, students and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education and Local Authority, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class/house achievements through House Points awarded; achievement points to individuals at 100% and 96-99% per half term; class recognition best in half term - small treat; Best in School; Attendance board publicises weekly updates and leaderboard for classes;
- Reward good or improving attendance;
- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance.

Appointments during school hours

We do ask that parents try to avoid taking students out of school for medical appointments where possible, but recognise that this is not always possible. If it is unavoidable, students must sign out at the main office and written evidence should be provided by parents/carers in advance of the

appointment. If regular appointments are necessary, for example, orthodontic procedures, we ask that parents/carers try to make these during school holidays.

Signing out for appointments procedure

No student should leave school independently without permission. Any student who must leave school during the day (e.g. for an unavoidable medical appointment) must sign out at the main school office and, if they return to school before the end of the day, should sign back in at the main school office upon their return. Students should not exit the school site via the student entrance.

Upon request, students may leave school for appointments independently.

Parents/carers must complete a Google form in advance of the appointment, providing consent for the student to leave the school site unattended. No student will be allowed to leave the school site without parental confirmation.

If your child is leaving independently it is not the responsibility of the office staff to collect them for their appointment.

Students with complex SEND needs will require a parent or carer to collect them from the school office. It should be noted that permission to leave the site independently applies only to appointments, not when a student is unwell.

School staff will contact parents if their child is unwell and a decision will be made on a case-by-case basis. Students who suffer a head injury whilst on the school site will always require collection by a parent or carer. Those with complex medical conditions will be required to be collected by a parent or carer.

Students on a bespoke or part time table will be allowed to leave the school site following a parent meeting during which a travel safety plan will be discussed. This meeting will take place with either Mrs Jeffs or Mrs Waddington.

Understanding Types of Absence

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any student's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable causes.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence includes, (however this list is not exhaustive):

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;
- absences which have never been properly explained;
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however is counted as an absence for the session;
- shopping trips;
- looking after other children or children accompanying siblings or parents to medical appointments;
- their own or family birthdays;
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;
- day trips;
- other leave of absence in term time which has not been agreed.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A student is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any student's education and we need the full support and co-operation of parents/carers to resolve this. All students who have attendance levels of 90% or below are considered to be a persistent absentee.

A student who has missed 50% or more schooling is defined by the Government as '**severely absent**'. Students within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Absence Procedures

The name and contact details of the school staff member students and parents should contact about attendance on a day to day basis is:

Mrs A Harding

Email: info@edwardpeake.beds.sch.uk

We monitor and review all students' absence, and the reasons that are given, thoroughly.

If a child is absent from school the parent must follow these procedures:

- Contact the school on the first day of absence before 8:30am;
- The school has an answer phone available to leave a message if nobody is available to take your call, or you may call into school personally and speak to the office staff. Please be aware that, if you leave a voicemail to report your child's absence, you may receive a call from the school so that we may discuss the absence before making a decision as to whether the absence is to be recorded as authorised;
- Contact the school on **every** further day of absence, again before 8.30am;
- Ensure that your child returns to school as soon as possible and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained in the following NHS website <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

If your child is absent we will:

- Telephone or text you on the first, and every subsequent day of absence, if we have not heard from you. However, it is **your** responsibility to contact us;

- If we are unable to contact parents/carers by telephone, we will telephone emergency contact numbers, send letters home and a home visit may be made, in the interests of safeguarding and wellbeing;
- A referral may be made to the Local Authority if no contact has been made with parents by the 10th day of absence (or sooner if deemed appropriate), at which point your child could be considered to be "missing from education." In certain circumstances this could result in your child being removed from our school roll and you would need to reapply for a place, if one was still available.

If absence continues we will:

- Where there is an absence of three or more days with or without contact from home, we may make an unannounced home visit to ascertain whether there is any way we can support further or whether there are any barriers to attendance that we can work together to resolve.
- Write to you if your child's attendance is below 95%, and/or where punctuality is a concern;
- Arrange a meeting so that you may discuss the situation with our Senior Attendance Champion;
- Create a personalised attendance support plan, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;
- Offer signposting support to other agencies or services, if appropriate;
- Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.

Lateness

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Students who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their form tutor.

The times of the start and close of the school day for all students at Edward Peake School are:

Gates open: 8:30am

Registration starts: 8:40am

Registration closes: 8:50am

End of the school day: 3.20pm

How we manage lateness:

- The school day starts at **8:30am** when children can begin to come into school;
- Registers are taken at **8:40am**;
- Children arriving after **8.45am** are required to come into school via the school office. If accompanied by a parent/carer they must sign them in and provide a reason for their lateness, which is recorded;
- At **8:50am** the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site – 'U', but this will **not** count as a present mark and it will mean that they have an unauthorised absence;
- The school may contact parents/carers regarding punctuality concerns;
- From time to time a member of school staff will undertake a 'Late Gate' check, greeting late arrivals at the main entrance to the school.

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with Mrs T Jeffs, but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and, as a school, we celebrate good class and individual punctuality.

Understanding barriers to attendance

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parent/carers and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health Support Team, Early Help Worker/Social Worker/Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Child meeting (TAC) to consider what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

Some students face greater barriers to attendance than their peers. These can include students who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain in place for these students, however we will work with families and students to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all students who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See **Annex A** for summary tables of responsibilities for school attendance.

Local Authority attendance support services

Local Authority School Attendance Officers work strategically by offering support to schools, to reduce persistent absence and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken in the form of a Penalty Notice or prosecution in the Magistrates Court.

School Attendance and the Law

New legislation was passed, The School Attendance (student Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10-school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three-year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

There is no entitlement in law for students to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (student Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.

It is a rule of Edward Peake that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance by the parent with whom the child normally lives with. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Central Bedfordshire Code of Conduct for Fixed Penalty Notices, in respect of each parent believed to have allowed the absence.

At Edward Peake 'exceptional circumstances' will be interpreted as:

... being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time (as determined by the headteacher). The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time, regardless of who has planned or paid for the holiday or absence (including grandparents or other family or friends).

Attendance Information

**Our Attendance Target is
96% Prompt Attendance
for EVERY child**

Why is regular school attendance important for my child?

Attending school on a regular basis is the key to children doing well at school and sets them up with good habits for later life as well as the working world. It also gives children the opportunity to:

- ❖ Achieve their potential and fulfil their aspirations
- ❖ improve their career prospects
- ❖ learn new things and develop their skills
- ❖ increase their confidence and self esteem
- ❖ improve their social skills
- ❖ make lots of friends and feel included
- ❖ be part of a school team or club

Regular school attendance means that your child can make the most of all opportunities and experiences.

How can I help my child attend school regularly and on time?

Do not keep your child off school if they are worried or have a problem – talk with them and they should talk about it with their form tutor.

- ❖ Help your child organise everything they need for school the night before- pencil case, water bottle, homework, reading books etc.
- ❖ Do not keep your child off school unless they are too ill to attend. A cold, cough or sore throat is **not** justifiable.
- ❖ Try to avoid making medical appointments during school hours.
- ❖ Phone school **every** day of absence if your child is unable to attend for **whatever reason**. Texts or emails are not accepted.
- ❖ Praise your child's achievements.
- ❖ Attend parent's evenings and other school events.
- ❖ Show your child that you believe school is very important - take a positive interest in your child's work including homework.

What are my responsibilities regarding my child's school attendance?

The Education Act 1996 requires parents to ensure their children, of compulsory school age, receive efficient full-time education.

The Local Education Authority can issue a fixed penalty notice for unauthorised absence. A fixed penalty notice can be given for a pupil who has 10 unauthorised absences (am and pm count as separate absences) from school in a 10-week period.

Since September 2015, a child whose attendance is 90% or below is considered to be a 'persistent absentee' and can be referred to the Local Authority Attendance Officer.

Can I take my child out of school for a holiday?

In total there are 176 non-school days a year. This gives families the opportunity to:

- ❖ Spend time together
- ❖ Go on family visits and days out
- ❖ Go on holiday
- ❖ Go shopping
- ❖ Attend routine medical appointments

The latest amendments to education law make it clear that schools may not grant any leave of absence during term time unless there are 'exceptional circumstances'. Further details on this are outlined in our attendance policy which can be viewed on our website. Holiday which has not been authorised will be coded as unauthorised and may be subject to the Local Authority issuing of a Fixed Penalty Notice.

We understand families may have exceptional circumstances and every request is considered individually. However, we are legally required to do all that we can to work with families to ensure high levels of attendance and thereby achieve the highest possible levels of progress.

What is authorised absence?

According to guidelines for schools from the DfE an absence may only be authorised if:

- ❖ A child is too ill to attend
- ❖ The school has agreed the absence before hand

Although you may provide a reason for absence, it is the school which decides if the absence is recorded as authorised or unauthorised. An explanation given by a parent is not necessarily sufficient for the school to authorise an absence.

Attendance percentages are not like examination results.

What is considered to be good attendance?

An attendance percentage needs to be over 96% before it can be considered very good.

**Under 90 %
Very Serious Concern**

**90 – 95.9 %
Unacceptable**

**96-100%
Good - Excellent**

A pupil who ends the school year on 90% attendance will have missed approximately four complete weeks of school. This equates to one half day every week. Over a five-year period, 90% attendance will have meant that a child has missed six months of schooling. Over their entire school career this could mean they have missed over one year's education!

Please Remember.....

- ❖ On every day of absence, please ring the school office by **8:30am**.
- ❖ When your child returns to school, confirm the reason for the absence in writing. This should be via email or letter.
- ❖ You can track your child's attendance on Class Charts.
- ❖ Attendance is always recorded on your child's report.
- ❖ You will be informed if your child's attendance drops below 96%.
- ❖ If your child's attendance is below 96% the school will require proof that the absence is for a genuine medical reason before the absence can be authorised.
- ❖ Wherever possible please make medical and dental appointments outside of school hours, or during the lunch break.
- ❖ Proof of medical appointments in school time is required.
- ❖ Requests for leave of absence should be put in writing at least four weeks in advance.
- ❖ Authorisation will only be granted in 'exceptional circumstances'.
- ❖ Full information about attendance and school procedures is available in our attendance policy on the Edward Peake web site.
- ❖ Lateness can be as disruptive as absence:

Over a school year:

5 minutes late every day = 2 days absent
 15 minutes late every day = 7 days absent
 30 minutes late every day = 13 days absent
