Helen Gibson Nursery School  
September 2017  
info@helengibsonnursery.co.uk

## Welcome to Helen Gibson Nursery

The staff at Helen Gibson Nursery school would like to take this opportunity to welcome all children, parents, carers and families to our school. Our aim is to create a wonderful experience for your child and those who care for them. If you have any questions at all about any query you may have please don't hesitate to speak to a member of staff or the Head Teacher Mrs. Parker. This is a special time in your child's life and we would like it to be a happy experience for all. We would also like to welcome our new teacher Ms Dixon who is very excited about working with you and your children.

## Parent and Family Board

In the entrance we have a parent's board. There is also a board in the Lodge just as you enter the main room. This will inform you about the plans for the week and what your child will be doing. There may also be other notices displayed here too.

## All Weather Clothes

Just to remind you that we go out to play in all weather. Can you please send your child to school in clothes that they can also play out in? Can you please put names in clothing and wellies too?

## What we do and why?

We will be holding a parents workshop on **Wednesday the 20<sup>th</sup> of September from 4.30pm**. This will last approximately 1 hour. In this you will find out what we do in nursery and why we do it. We will also introduce you to our Learning Journals, what we use them for and how you can help at home. Please email us to let us know if you can come.

## Learning Journals

By the end of the month your child will have their own drawer. Children's Learning Journals will come regularly and your child's key worker will inform you of the day they need returned. Please feel free to put in any photographs or things that they have done at home.

## Sickness

If your child has sickness or diarrhoea they must be clear for 48 hours before returning to nursery. This stops cross infection occurring.

## Junk Modelling

We are always looking out for junk modelling materials. Please bring in any empty boxes, lids, plastic containers or tubes (not toilet rolls) and give it to a member of staff. Your donations will be greatly appreciated and recycled.

## Website

Our website is up and running. It will contain photos from your child's key worker group, newsletters and things that you can try at home. The web address is [www.helengibsonnursery.co.uk](http://www.helengibsonnursery.co.uk). If you do not want pictures of your child being put on the website please ensure you let us know. We also have a facebook page.

## Birthdays

We love to celebrate your child's birthday with them. Your child will be visited by Birthday Bear and receive a special gift. If you would like to send anything in for your child to share with other children we would prefer fruit e.g. raisins etc as we have many allergies in the nursery and have recently been given Healthy School Status. We also have a lot of allergies and therefore it would help us and them if only fruit was provided.

## Donations

Don't forget to put your weekly donation of 50p in the money box located in the entrance.

## Waiting Areas

### Main Nursery

All parents can come in and wait in the conservatory.

### Lodge

All parents to wait under the bandstand until the doors are open.

However if the weather is particularly bad please come in and wait in the conservatory.

# Have a great September
