

All Souls Nursery Autumn Term 2015

Welcome to the first term at All Souls Nursery. We are looking forward to getting to know your child and your family. This term we will be making sure that your child feels happy and secure. We are going to explore the Nursery environment and also find out about the rest of the school.

Once the children are settled and confident in the environment, we will be completing assessments of your child's knowledge of colour, shape, number and pencil control. From these, we will be able to plan what we will be working on for the rest of the term with your child. We will

then be counting, ordering and recognising numbers, writing our names, finding out about our Catholic Faith and sharing stories, rhymes and songs. The children will also be encouraged to use their creative skills to paint, draw and build models.

We will be sending your child's Learning Journey home during the week so that you are able to take an active role in their learning. Please add photographs and information to these books showing what your child has achieved at home.

Please make sure that your child has their P.E. kit, a pair of wellingtons and some spare clothes in their P.E. box, we encourage children to explore outdoors in all weathers.

With the season of coughs and colds approaching, could we please ask that you help by providing us with a box of tissues.

Below are a few dates that you might find useful:
