

18th November 2015

Dear Parents/Carers,

I have arranged a Year 5 and 6 trip to Planet Ice, for an afternoon of ice skating, on Thursday 10<sup>th</sup> December at a cost of £4.50 per child, including skate hire. On the afternoon, we will walk to the ice rink, leaving school at about 12:15pm, ready to begin skating at about 1pm. The session will finish at 3.30pm, after which we will walk back to school. We anticipate, therefore, returning to school later than usual, arriving back sometime around 4.10pm. If you wish to pick up your child from Planet Ice, please contact me to arrange this.

The children should come in their uniform on the day, but can bring some casual clothes with them to change into before we leave. They should ensure that they wrap up warm, and they must have a coat and pair of gloves with them. I'd also advise that they wear several pairs of socks to ensure that the ice skates are as comfortable as possible.

We appreciate that some children may not wish to go to Planet Ice and so will arrange for a member of staff to stay in school and organise a movie afternoon for those opting not to skate.

If your child wishes to ice skate, please complete and return the slip below, along with £4.50, back to school, so that we can confirm the number of places that we require with Planet Ice.

Kind regards,

Andy Cooke  
Deputy Headteacher
