RE: Silent Disco

Dear Parents/Carers,

On Friday 27th November we will be holding the school's first 'Silent Disco' to raise funds towards our new ICT Suite/Learning Hub. A silent disco is exactly as its name suggests – a disco, in silence, where those attending listen to their own personal music through headphones, whilst dancing in a 'disco' atmosphere.

The disco will take place in the school hall, running in 2 sessions: 3:30-4:30pm for children in Years 1-3 and 4:30-6:00pm for children in Years 4-6. Tickets, priced at £2, can be purchased using the form below. Children should, where possible, use their own music players, ipods etc. to listen to. For those who don't have access to a personal music player, we have purchased a number of mp3 players, preloaded with a range of music, which are available to loan on a first-come-first-served basis, at 50p for the session.

During the disco, children will have the opportunity to purchase chips, priced at 50p per portion and there will also be a 'photo booth' set up where children can dress up and take photos, prints of which will be available to purchase for a nominal fee after the event. A 'chill zone' will also be set up, where children can relax on bean bags, listening to their music.

On the day of the disco, children from Years 1-3 who are attending will be collected from their classrooms at the end of the school day and taken to the hall. They can then be collected from the hall at 4:30pm. Children in Years 4-6 who are attending should go home as normal at the end of the school day and then return to school at 4:30pm entering through the external hall doors. They should then be collected at 6:00pm.

We are really looking forward to this event, which is something that we've wanted to do for some time, and hope to have as many children attend as possible.

Thanks for your continued support.

Kind regards,

Andy Cooke
Deputy Headteacher
