

All Souls' Catholic PRIMARY SCHOOL

31st October 2016

Dear Parents/Carers,

On Wednesday 30th November, we will be holding an information evening for parents of children in KS1 and KS2 around the safe use of technology and the Internet. The purpose of the session will be to:

- Highlight potential dangers that children using the Internet face
- Share legislative changes and the roles/expectations of schools in keeping children safe online
- Highlight how All Souls works to keep children safe when using technology, through our curriculum, policies and software
- Highlight the role of parents in ensuring children are safe when using technology at home
- Share and distribute resources available to parents related to Internet safety
- Give you the opportunity to raise and discuss concerns and challenges that you face around online safety

The session will take place in the school hall, beginning at 6:00pm, and we anticipate that it will last approximately 1 hour. Due to the nature of the discussions that will take place and the materials that will be displayed, it would not be appropriate for any children to attend.

At the base of this letter is a slip, which we ask that you return to school, indicating whether or not you are able to attend. Please try to return this no later than Friday 25th November, so that we know how many parents to expect and how many information packs we need to prepare.

Keeping our children safe when using technology and the Internet is becoming increasingly important in our ever changing society, and we look forward to working even more closely with you to keep our children safeguarded against these dangers.

Kind regards,

Andy Cooke
Deputy Headteacher
& Online Safety Lead

Online Safety – Parents' Information Evening – Wednesday 30th November 2016

Name of child: _____ Class: _____

I am able to attend the Online Safety information evening

I am unable to attend the Online Safety information evening (*please tick as appropriate*)

Signed (parent/carer) _____
