***Homework Club - Parents can request for their children to attend this club to complete homework. Children will also be sent to this club by their class teacher, if their homework is incomplete or unsatisfactory.**

During last year, an increasing number of children were attending clubs without payment and so this year we are asking for payment for the term to be made up front. Where clubs are cancelled, refunds will be issued or payment carried over to the next term. If you have any concerns around making payments, please come to discuss matters in confidence with the school office.

Once again this year, our staff have been very generous in offering to run extra-curricular activities, which is above and beyond their contractual duties. We'd like to take this opportunity to say thank you and express our appreciation of them for this. We believe that our children are very lucky to have these clubs available to them, and consider them to be excellent value for money.

To ensure that your child is allocated places in their chosen clubs, please complete and return, with payment, the slip below to the school office by the end of the week. Where more children request places than are available for a club, names will be drawn out of a hat at random.

Yours Sincerely

Mrs Quinn and Mr Cooke
