

All Souls' Catholic  
PRIMARY SCHOOL

7<sup>th</sup> March 2019

Dear Parents/Carers,

Over the last few weeks we have held discussions with the children about how we can raise money to ensure that we can continue to deliver the rich curriculum that we strive for, as our budget is increasingly squeezed and stretched. One of the most popular ideas amongst the children was to repeat the 'mud run' that we have held previously and which proved to be one of our most successful fund raising events.

On Friday 5<sup>th</sup> April, we will therefore be holding what we are calling our 'Ultimate Warrior' challenge – a mixture of individual and team challenges combined with our traditional 'mud run'. Once again, we will set the course out around the perimeter of the school field and each class will get an opportunity to take part throughout the day.

Participation in the mud run is optional, although we hope that as many children as possible will support the event. We are setting an ambitious target and hoping that, through collecting sponsorship from family and friends, the children can raise a combined £2000. If every child were to raise £11 we would achieve this target.

At the base of this letter there is a consent form, where you should indicate whether or not your child will be participating in the event, and return it to school. On the rear of this letter is a sponsor form which, if your child is participating, they should use to record their sponsors and how much they are sponsored. This should then be returned, with their sponsor money after the event.

I am promised in good faith that all of the staff will definitely be taking part this year (and those who try not too might get a little surprise!) – so do watch out after the event for some very special photographs to appear on the school website! As we get closer to the event, we will send home more information about how the event will work and what the children will need to bring.

Thank you for your continued support.

Kind regards,

Caroline Quinn  
Headteacher

Andy Cooke  
Deputy Headteacher
