

All Souls' Catholic PRIMARY SCHOOL

Dear Year 3 children to be!

Hello! My name is Miss Hayden and I am your new class teacher. I am very excited to meet you all in September, this will be my first-year teaching at All Souls' and I cannot wait to get to know you all! Year 3 is going to be very busy and I have lots of exciting things planned for you. Lots of you will be making your First Holy Communion and receiving the sacrament of reconciliation, which is such a special and important time in your life.

All about me: I love tea and drink around 6 cups a day (far too many). My favourite book at the moment is Slime by David Walliams. I think it is hilarious and love reading about Ned and his sidekick Slime. They have a great adventure and the story follows their mishaps along the way (they have many!)

I enjoy walking my dog, who is 16 years old and blind, but he does not let this stop him! I love being outside and exploring new places and hope we can do this together in September! I like baking lots of yummy treats and experimenting with different ingredients in my cooking. My favourite food is raspberries or Terry's chocolate orange. I love all sport and enjoy playing team games. My favourite lesson (now this is hard because I like so many for different reasons) is probably Maths because I love to problem-solve.

I know some of you may be feeling a little anxious about coming back to school, with a new teacher, new classroom and different expectations, but please don't be. We are one TEAM in Year 3 and we will all learn together. It is my job to make sure you are feeling happy, having fun and learning lots. I know it has been very strange, not being in school and you are missing your friends, but please know that everyone is feeling the same way. Everyone will be very understanding when you come back to school, as we know everyone has been doing lots of different things in lockdown. Hopefully, this will provide us with lots of different stories to share. Remember you are never alone and together we will make sure everyone is happy and feels part of our class.

I have heard so many wonderful things about you all and I cannot wait to welcome you into Year 3 in September. If you would like to email me with any questions or interesting stories about yourself then my email is madison.hayden@allsoulsschool.co.uk.

This is going to be a fantastic year for us all and I am so excited to be your Year 3 teacher.

Speak to you soon,

Miss Hayden
