

All Souls' Catholic
PRIMARY SCHOOL

Dear Future Year 5!

I have loved teaching some of your year 4 lessons this year and I am delighted to say that I will be taking the journey into year 5 with you as your class teacher! I have really enjoyed getting to know you this year. You all have unique interests and talents and I want to encourage you to explore these further in year 5. Some of you might choose to get stuck straight into the year 5 reading corner. Others might aspire to represent the school in their favourite sport. I am sure some of you cannot wait to see your artwork displayed on the classroom wall. Or maybe you are looking forward to exciting experiments in science. Whatever you wish to achieve in year 5, I hope you are all looking forward to taking this next step together and working as a team to make it an enjoyable year for us all.

I know that it might feel a bit strange to think about returning to school after being away from All Souls' for so long. But be assured that when you return, you will be greeted by friendly, familiar faces who are always there to keep you safe. It is fine to feel nervous or a little uneasy about returning in September. I am available to be contacted over the summer holiday and you or your parents are welcome to e-mail me with any questions, concerns or even just to let me know how you are doing.

My email is aimée.piercy@allsoulsschool.co.uk.

We hope to have a Zoom transition next week so we can 'virtually' get together before September. For now, I hope you are excited to return to school and be a class again soon, I know I am! Until then, stay safe, enjoy the summer and take time to relax with your family and friends.

Ms Piercy
