

All Souls' Catholic
PRIMARY SCHOOL

Welcome Back

5th March 2021

Welcome back Reception! We have missed you all. We are excited to be able to share all the fun activities and learning that we will be completing this term.

We are growing and planting outdoors. In the classroom we have a Garden Centre play area. We are going to have a competition to see who can grow the tallest sunflower.

We will be joining new phonic groups and continuing to practise forming our letters. Ms Croarken is looking forward to be able to read with you in person.

In RE we will be starting to think about Holy Week and Easter.

During the first week back we have to make a surprise for a special person in our lives!

In Mathematics we are going to be continuing our work on making 10. This will involve looking closely at number patterns. We will move onto addition and subtracting within 10.

In PSED we are learning to be more independent and part of this involves walking around to the classroom by yourself. We will also spend time learning to play together and share after being apart for so long.

PE will be on Tuesday so this is the day you must wear your PE uniform. The other days you are now able to wear summer or winter school uniform or your PE uniform, as you wish.

Looking forward to seeing you soon.

Mrs Jilks

Ms Croarken
