**Welcome back my lovely lot!**

My goodness how I have missed you all! From your cheeky smiles on a Monday to hearing our classroom full of laughter, from our Go Noodle dances to trying to win the most Dojos in a week, it has been a long two months without you all. You have made me so proud every week and seeing how hard you are trying at home, even though it has been so difficult, has been wonderful. I know I tell you all the time but you really are my little superstars. Now, some of you may be feeling a little nervous about coming back and may have a few butterflies in those bellies but this is completely normal and you are not alone. We are doing this together and with your friends, Mrs Atwal and I we will get back to all the exciting, fun adventures we were having before, you just have to take that first step.

Over the next few weeks we will be focusing on all of those basic learning behaviours like;

- Remembering how to sit on our chairs
- Putting our hand up to participate
- Playing nicely together
- Working as a team
- Respecting our environment and taking care of our things
- Moving around our school correctly

Here is what to expect in our learning time over the next few weeks:

<b>Maths</b>	<u>Measurement</u> -To compare, describe and solve practical problems for capacity and volume, mass and weight -To measure and begin to record capacity and volume, mass and weight	
	<u>Multiplication and Division – EXCITING NEW LEARNING!</u> -To solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays	
<b>English</b>	<u>Becoming Reporters - EXCITING NEW LEARNING!</u> -Headings and subheadings -Use of exciting language -Using question marks and exclamation marks to demark sentences -Asking questions -Use of fact vs fiction	
	<b>RE</b>	<u>Lent</u> -To know some sayings of Jesus and how they relate to real life -To know times when Jesus gave others the chance to change -To know what it means to repent and ask for forgiveness -To identify and reflect on times, places and moment we can see Jesus.
<u>Holy Week</u> -To name and sequence the days of holy week -To describe what happened on these days - To empathise with key characters in these events		
<b>Science</b>		<b>Geography</b>
Seasonal changes – Spring	Seaside or City?	Holidays
<b>PE</b>		<b>Art/Creative</b>
Tuesdays and Thursday		Painting and printing

I can't wait to see you on Monday and for our little Year One family to be back together again!

Have a great weekend,  
Miss Corkerry xx
