

This home/school agreement is designed to recognise that the success and development of our pupils relies heavily upon the partnership between ourselves, each individual child and their parents.

At the beginning of every academic year, by re-signing the home/school agreement we renew our commitment to each other and the school community.

The home/school agreements are kept in a folder by the child's class teacher.

Working together, we can ensure that our children are recognised as individuals and that they are developed spiritually and morally.

Headteacher

Shirley Langford,
Chair of Governors

"Pupils have trust in adults in school and are confident to report any concerns. As one pupil put it, 'Our teachers are like our parents.' Pupils feel safe in school and parents agree that their children are well cared for."

"...all parents said that their children were happy and safe at school and almost all would recommend the school to other parents. One comment made summed up the views of many, 'I cannot praise the staff enough. My children love school and are very happy.'"
