Homework

Homework tasks consist of spelling, SPaG, times tables challenges and reading. Your child will receive 5 spellings each week to practise at home. They will be given these on a Monday and tested the following Monday. Times table sheets are handed out on a Monday and are due in the following Monday. Alongside this, children should be using Times Table Rockstars to practise their times table speed and accuracy. The class will also receive SPaG activities on spag.com that they must complete. The expectation for Year 5 is that they read for a minimum of 15 minutes 5 times a week and at least one of these with an adult at home. Children can fill in their own record. I ask that you sign their record each week to confirm that what is recorded is a true record. Please ensure that this reading record is brought into school so that it can be checked and new books can be issued if required.

Many thanks,
