

Year 6 – Summer Term Newsletter

I hope you all had a lovely Easter break. It has been great to see the children come back fresh and ready for their final term here at All Souls – I cannot believe how fast this year has gone already! This term always proves to be a busy one, with the chance to show off all their knowledge and skills in the KS2 SATs, receiving the special sacrament of Confirmation, going through the process of transition and finally preparing for our leavers' production!

Summer Term Curriculum:

Maths: Problem Solving and consolidation in preparations for KS2 SATs and secondary education	English: Plentiful writing opportunities with a variety of text types, purposes, and audiences.	RE: Easter, Pentecost, The Story of the People of God, Belonging to the Church Community and Other Faiths and Religions	Science: Light, Electricity, Animals including Humans	Geography: Europe
History: Vikings	Music: Exploring Rhythm	Languages: Spanish	Forest School: TBC	Performing Arts: TBC

We could not be any more proud of our Year 6 children; they have approached this week with enthusiasm, determination and resilience showing how much they have matured as learners and what fabulous individuals they all are.

As you can see, there isn't long left before your child's time at primary school comes to an end and they embark on their next exciting chapter at secondary school. Although their end of KS2 SATs are now over, there is so much more learning still to be done, oodles of fun to be had and new memories to be made. As a class, they have really grown this year, in knowledge and maturity levels (most of the time!), and genuinely have been a pleasure to get to know, teach and watch grow.

As always, should you have any unanswered questions, concerns, or there be anything that you need to discuss, please make no hesitation in contacting me. Thank you for your continued support!
