First Holy Communion & Confirmation Sacramental Preparation

The final Sacramental preparation session will take place on **Saturday 21st May at 5:00pm**. It would be great to see as many of the Year 3 (and Year 6) children and parents at this session – particularly those who committed to the Sacrament during the Autumn term, but are yet to attend.

SATs week : DONE!

We could not be any more proud of our Year 6 children; they approached their SATs with enthusiasm, determination and resilience showing how much they have matured as learners and what fabulous individuals they all are. Well done to you all!

SAVE THE DATE!

Year 6 End of Year Play - Tuesday 12th July 2022

After gradually returning to pre-pandemic ways, we are delighted to announce the much-anticipated return of the 'End of Year Play'. More details will follow soon but, for now, please save the date and prepare to be WOWed!

A note to the children and parents of Year 5:

As you will be aware, a lot of time and resources have been put into place this year in light of the pandemic, in particular to bridge the gaps for our Year 5 children. We still very much believe that our main priority for them is to ensure they are ready to succeed and achieve in Year 6 and beyond. Therefore, taking into account the supporting roles that Year 5 children usually take on in the play, it is with sadness that we have made the decision to keep this year's production for Year 6 only. Although we understand that you too may be saddened by this, we are sure you will also believe it to be in the best interests of the children to stay focused on their learning for the remainder of this academic year and look forward to their chance to shine in Year 6.

New barrier across the driveway

We are committed to ensuring the safety of our children on the driveway. Therefore, we have purchased a barrier that will be placed across the entrance of the drive each morning from 8:20am (please note that staff may move this if arriving between 8:20am and 8:30am). We are currently working with the city council to establish if there are any additional measures we can take to further ease our parking and speeding concerns.

Water bottles – please ensure your child has one

Please can we express the importance of ensuring your child has a labelled water bottle with them each day. These can be topped up in school using the water fountains provided. Now the weather is warming up, it is vital children have access to their own water throughout the day to keep them hydrated. Although we do have cups in school, we only have a limited supply and have noticed a big increase in the number of children asking to use them.

Mental Health Awareness Week

Year 6 wanted to reach out to our wider community to raise awareness for Mental Health and the support that's available should you feel you need it. They created posters around the theme '**Tackling Loneliness Together**' and put them up in our local area.

New Senior Leadership Appointments

The Governors of All Souls Catholic Primary School are pleased to inform all parent, carers and friends of All Souls that the following permanent appointments were made:

Mrs Roisin McGrath as Deputy Headteacher and Mrs Jo Hartwell as Assistant Headteacher

We congratulate both candidates on their achievement and wish them every success in their new posts.

Young Voices 2022

A huge well done to our wonderful choir who took part in Young Voices this week. It was a very long day and evening but well worth all of the extra rehearsals; the choir performed beautifully along with 6000 other children! A huge thank you to Miss Clarke who leads our choir and to Miss Croarken, Mrs Elkins and Miss McGinn for supporting the children. It was a very special event and we are very grateful to all parents/family/friends who were able to join us for the performance.
