## Year 6 Leavers' Assembly: Friday 22nd July at 9.15am

Save the date and bring your tissues! The children in Year 6 warmly invite their family to join them for their last ever assembly at All Souls as they flashback through their primary years before saying one final fond farewell.

## 101 Pledge Booklets

Please note that your child should be bringing home with them this weekend their 101 Pledge booklet. This is their record of progress towards achieving the 101 goals that we set for all children during their time at All Souls. We would be grateful if you could complete the following with them before returning the booklet to school by 29th June:

- Update the booklet by shading in, under your child's current year group, any of the pledge activities that the children have achieved out of school since the last review point in February. Your child should
- Complete the end of year review, towards the back of the booklet, with your child, summarising their biggest achievement
- Consider whether, over the Summer holidays, you are able to support your child is achieving any additional goals

## Year 3 & Year 6 Party Day

On Wednesday 29th June, Year 3 and Year 6 are invited to wear their communion and confirmation outfits to school. We will be attending a whole school mass at 9:30am – you are most welcome to attend. A professional photographer will be taking photos of the children and the photos will be available to purchase online. The children should bring a change of clothes for their party in the afternoon. Please ensure your child has a suitable bag with them to store their communion/confirmation outfit in once changed. Additionally, we are asking children to bring in cakes, biscuits, crisps or other treats to share by Tuesday 28th June. Please ensure that items brought in contain no nuts.

# SPORTS ROUND UP

The last 2 weeks have been extremely busy for sports!

Last Tuesday we had a Y5/6 rounders tournament. This was played at All Souls against 3 other schools. The team played amazingly, winning 2 out of the 3 games, but unfortunately they didn't make it through to the next round.

On the same day after school, a netball and girls football match took place against St Christophers. Although they played well the netball team lost their match. The football team won their match 5-2. Well done both teams!

On Wednesday last week our cricket team took part in the Catholic Cricket tournament. They managed to get through to the final against Scared Heart but despite their best efforts lost a very close match.

On Thursday lots of children went to Warwick University Track to compete in the Catholic Schools Athletics. We came back with three medals – Livia (Y6) Silver 800m, Leo (Y6) Bronze Throwing and Millie (Y3) Silver Sprinting.

Finally on Friday last week, Y5 and 6 took part in a Tag American Football competition. The children gave it their all and managed to reach the semi-finals. They had a great start in this and went 12-0 up however the school who had travelled all the way from Nottingham finished strong and pulled it back to win 14-12. Super effort everyone.

On Tuesday this week our Y4/5 girls rugby team took part in their Finals Tournament. They played against 8 different schools, although they didn't win they were extremely unlucky as they played fantastically throughout the whole tournament.

After school on Tuesday, a football team from Y3/4 and Y5/6 played against St Christophers. For many of the children, this was not only their first time playing football for the school but their first time playing in a competitive match. Even though they didn't win the result was not important as it was great to watch them play with huge smiles on their faces.

Today all children in school took part in a 30-minute fitness challenge to help raise money for new playground equipment. They all showed great effort, determination and courage to complete the challenge. Well done everyone!
