Our 'Early Bird' initiative was highly successful; it was wonderful to see so many children excitedly running down the driveway get a sticker for their chart. This week we recorded our lowest number of late marks this term.

Well done and thank you to those who have really improved their punctuality. We now need to maintain and continually improve this. The prize draw was held during assembly this morning; congratulations to Georgia in Year 2 who was the winner of the £50 Amazon voucher. Every child who completed their Early Bird sticker chart were given a bag of sweets. We plan to have an Early Bird week once a term; keep checking the newsletter for when the next one is announced. They'll be another £50 prize up for grabs!

Have your details changed?

Please do contact us via admin@souls.coventry.sch.uk if your details have changed (i.e., address, telephone number). We would also be grateful if you could let us know if there have been any changes to your emergency contacts; we would ideally like to have three on the system.

Choir – additional lunchtime practice sessions

After half term, the choir will be invited to attend additional practice sessions each Tuesday lunchtime in the run up to Christmas. They will be performing at numerous local venues in December and have lots of new songs to learn!

Please label your child's uniform!

We're still finding lots of uniform around the school without a name on. This makes it impossible for us to return. Please can we remind you to label all items so we are able to return it to your child. Thank you!

We raised £215 for Mind – thank you for your generous donations!

PLEASE DO NOT USE THE DRIVEWAY FOR DROP OFF OR PICK UP!

Please can we remind you that the driveway should not be used at any time for drop offs or picks ups - this includes **All Sorts Nursery and their extended services plus and the school's extracurricular clubs.** Last week there were multiple incidents of speeding down the driveway, cars turning around despite children being present and cars blocking the Western Power site gates. The driveway does not belong to the school; it is the property of Western Power. Our children's safety is paramount; please support us in making the driveway a safe zone at all times.
