Children's Mile 2023

On Sunday, we took part in The Children's Mile at the War Memorial Park which brought together runners from sixteen schools across the City. We are immensely grateful to our staff, parent helpers and everyone who came to support the children despite the very early start! Our All Souls' runners made us very proud and there was a fabulous atmosphere. A special shout out to Ross in Year 4 who finished in an incredible 4th place and was closely followed by Mr Youson's son, Callum, who joined our team and finished in 5th place. Amazing!

Chicken pox and sickness bugs have continued impact attendance last week and saw it, once again, fall below our yearly average. Punctuality has improved, overall, this week following last week's spike. Parents of all children who are late (either before or after the close of register) will, from this week, receive an automated notification of this, via StudyBugs on a Friday.

Chicken Pox

We have had a number of chicken pox cases within the school. Please do keep checking for spots appearing on your child, particularly in the Early Years. The NHS guidance regarding chicken pox can be found here:

Sports Day – please read!

Sports Day will still go ahead on Friday 7th July for Nursery (10am to 11am, with parents welcome join the children for refreshments after) and Reception through to Year 4 between 1pm and 3pm. Year 5 & 6 will now be at Bablake rehearsing the end of year play and so their sports day will now be on **Friday 14th July between 9:15am and 10:45am**. There will be an ice cream van on site for much of the sports day event on 7th July – please ensure you pay online via Pay360 for your child's ice cream as they will receive these at break time before the events start.

Rest assured that Year 5 & 6 will not miss out as Kev will drive his van to Bablake to serve them there on the 7th ☺

Parish Picnic – Saturday 8th July

You are most welcome to join us at the Parish picnic in the church garden on **Saturday 8th July between 12 and 2pm**. We hope to see as many parents and children there as possible.

Children on site prior to 8:30am

Children should not be entering the school building prior to the gates being opened by a school adult at 8:30am. We have recently had a number of children who have attempted or managed to get into the building prior to this which is, obviously, a significant health and safety risk. Thank you for your cooperation.

Pre-loved clothing event – we need your donations!

We are still appealing for donations of children's clothing or uniform in good condition and would be grateful if these could be brought into school over the next week. Many families have benefited this year from the kind donations of others and this is something that we would like to continue, not only to reduce the financial burden of uniform, but also in our drive to live in a more sustainable way. Thank you in advance!

Please can we remind you to register for both Studybugs (to report your child's absence or lateness) and School Food United to ensure your child is able to have their desired lunch. Please contact the school office if you need any assistance.

Sports News

A team of Year 3-6 children attended the annual Catholic Athletics competition at Warwick University. It was an incredibly hot day and we faced some very strong competition. Sadly we didn't finish in the top three. However, our Year 6 boys relay team did place 2nd in their event! Well done to everyone who took part 😊

We've also taken part in National Sports Week and the children have enjoyed a wide range of activities every day, including a whole school dance off with Mrs Cooke! A video of their week will be available on the website shortly – please do take a look!
