

Request for Support Form

From time to time, many children and families require support beyond that which is typical classroom provision. If you are worried about any aspect of your child's development, the first action you should take is to discuss this with your child's class teacher. If, following action and support from your child's class teacher, your concerns still exist, please complete the following form with as much detail as possible and then email or return to school, marked for the attention of the school SENCO, Dionne Alford (dionne.alford@allsoulsschool.co.uk). We will aim to respond to all forms received within 5 working days of them being submitted.
