The school has two trained Positive Parenting Programme practitioners who are able to support and advise with parenting. In addition to this Parenting support in Coventry The Positive Parenting Team provide a wide range of parenting support for all Coventry families. This may be for families planning ahead who are experiencing no difficulties, to families who are experiencing day to day difficulties with relationships, behaviours, feelings or confidence.

They organise and coordinate programmes for parents and carers in Coventry. These are accessible for all parents, carers, grandparents, foster carers, connected persons and special guardians. All programmes are free and we offer limited crèche support for some group programmes.

The programmes can be accessed face-to-face at various venues across the city or virtually via Microsoft Teams. Parents can make a request for a programme or a professional can refer on their behalf.
