Year 6 visit to the allotments

Year 6 will be walking to the local allotments on Tuesday 17th October. A waterproof coat is essential, and children may also bring their wellington boots. Please ensure they have their normal school shoes with them so they can change out of their wellies.

Well done to Year 5, who have maintained excellent attendance and punctuality this week and to Years 3, 4 5 who's attendance to date this year remains above 97%. Attendance in some classes is now starting to slip which is impacting whole school statistics. Year 6's attendance has fallen this week for the 3rd week in a row and Reception are yet to have a weekly attendance above 91.4% this academic year. It is therefore important to reiterate that school attendance is expected 100% of the time unless children are too unwell to attend or there are exceptional circumstances. NHS guidance is that 'It's fine to send your child to school with a minor cough or common cold.' We have also noticed an increase in the number of children being absent from school for medical appointments. Whilst we know that obtaining some appointments (e.g. with consultants) are very difficult and may fall during the school day, children should not be missing school for routine dental or optician appointments and every effort should be made to ensure that these take place outside of the school day.

Please note that Friday 27th October is a teacher training day. School will be closed on this day and reopens Monday 6th November 2023.
