Attendance for the week ending 8th March 2024:

Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Whole School	Whole School Year to date

Late marks recorded for the week ending 15th March 2024:

	Mon 11/01	Tue 12/01	Wed 13/01	Thu 14/02	Fri 15/03	Total
L (before 9:00am)	0	1	3	4	2	10
U (after 9:00am)	0	0	3	4	2	9

Attendance again rose marginally last week, however still remains below both our target of 96% and also the weekly percentages achieved during Spring 1. A reminder that children can and should still attend school if suffering with mild symptoms – please refer to the NHS guidance [‘Is my child too ill for school?’](#). When reporting absence on StudyBugs, can parents please ensure that they include full details of the reason for absence. This will prevent school staff from having to make contact to ask for further details. Thank you.

Whilst the number of children arriving late before the close of register (L) has more than halved from totals last academic year, which should be greatly celebrated, the number of instances of children arriving late after the close of register (U) has doubled. Please remember that arriving after the close of register results in a child losing their attendance mark for the morning. From this week, we will include both late before and after the close of the register in our weekly totals on the newsletter.
