

All Souls' Nursery - Summer Term

Welcome back! We are looking forward to continuing working with your child, in partnership with yourselves, on this journey. This half of the Summer term we will be focussing on Planting and Growing, sharing stories and exploring patterns. During the second half term, we will be looking at Transport and Travel alongside consolidating number and shapes. Below are just a few of the areas we are aiming to cover in each area of learning.

R.E

- Easter, Pentecost and Prayer and learning about our Class Saint - St Bernadette

Communication and language

- Enjoy listening to stories, discussing characters and settings.
- Start a conversation with an adult or a friend.
- Use talk to problem solve and
- Use language to make our needs known.

Personal, Social and Emotional development

- Develop their sense of belonging to a family and community.
- Make secure friendship groups.
- To be able to talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. To share and take turns.

Physical Development

- To continue to take part in PE lessons with Miss Jade. (Please have PE kits in on Tuesday)
- To practise fine motor skills using threading, playdoh, pencils and crayons and scissors.
- To begin to write letters in their names.

Literacy

- Learn the phonic rhyme and the first phonic sounds.
- Listen to stories, beginning to retell and develop story ideas.
- Recognise our names.

Maths

- Recognise and use numbers to 5.
- Begin to use numbers beyond 5.
- Recognise patterns, shapes and begin to sort and measure objects.

UTW/Expressive Art

We will explore the natural world and how it changes. We will continue to explore the seasons focussing on spring and summer. The children will use a variety of media to explore colour, shape and texture. We will be visiting a role play village, sharing songs and rhymes and planting fruit, vegetables and flowers. We will learn what is needed to make our plants and flowers grow. During the second half of the term, we will be looking at where we live and different places around the world.

We will cover all these learning objectives through the use of stories and information books, rhymes and songs, exploring the outside environment and visiting local places of interest. We will also focus on the topics that the children have a personal interest in.

Thank you for your support. We look forward to working with you for the final term.
