

This home/school agreement is designed to recognise that the success and development of our pupils relies heavily upon the partnership between ourselves, each individual child and their parents.

At the beginning of every academic year, by re-signing the home/school agreement we renew our commitment to each other and the school community.

The home/school agreements are kept in a folder by the child's class teacher.

Working together, we can ensure that our children are recognised as individuals and that they are developed spiritually and morally.
