Open Evening

March 4th & 5th 2025

The booking form is now live for our open evenings on March 4th and 5th, either via the link or QR code. Please ensure that you make a note of the day and time that you have selected as we receive a lot of calls and emails from parents who have forgotten. <https://forms.gle/ArjfkTb2uWh8N2d6>

Medication – forms MUST be completed! Can we please remind parents that if your children requires any medication, this must be passed on to the school office by an adult and a consent to administer medication from the school website must be completed. Children should not bring any medication into school themselves, and without the consent form we are unable to administer any medication. There have been several instances recently where children have presented teachers with medication from their school bag. This should not happen.

We are a 'nut free' school! A reminder that, due to several children and adults in school having severe nut allergies, All Souls is a 'nut free' school. Children should not, therefore, bring into school any items containing nuts as this poses a significant risk vulnerable members of our community. Again - there have been multiple instances recently of children bringing nuts to school either as a snack or part of their lunch.

Operation Snap - Dangerous Driving / Parking Outside Schools

Operation Snap is now running in police forces across the country. This operation involves members of the public reporting traffic offences directly to the police team by submitting digital footage or images of an offence via the website. All footage and images are then reviewed, and the police will take action where appropriate. Schools are being asked to share this with parents as there are a significant number of offences which occur outside of schools at peak times. If you see dangerous driving, parking or traffic offences outside of the school and have footage of this, you can now report these via the WMP website linked to below.

SPORTS NEWS

Two pupils took part in a Panathlon event. They teamed up with Southfields to become one team and took part in 8 different events testing their throwing, aiming, and hand-eye coordination. They performed brilliantly and fully deserved their bronze medals as they finished in 3rd place - well done we are super proud!

The Y5/6 football team played against St John Vianney in extremely wet and muddy conditions. The game was back and forth from start to finish with the score eventually ending 3-2 for St John Vianney. Player of the game went to Seth from Y5. Next game is on Wednesday against Allesley Hall in the Cup - good luck!

Our Y6 girls and boys rowing team competed against over 20 other schools from Coventry West. Each child rowed in an individual race before coming together to take part in a relay. They were all superb with each of them rowing their personal best scores. The boys finished in 2nd place overall gaining a place in the County Finals later in the year. The girls, despite rowing further than the boys by 5m, finished in 3rd place just missing out on the County Finals place. Great effort by everyone, good luck boys in the Finals.

♥♥♥ Valentine's Day Dress Down ♥♥♥

On Friday 14th February, children may come to school dressed in **red**. There will be no charge for the dress down, however, the School Council will be holding a class raffle in each year group.
