TO LEARN TO ACHIEVE

Principal: Chris Parkinson

Dear Parent/Carer

Easter Revision Academy

As part of our programme of preparing students for their GCSE examinations we are working with your son/daughter to support their progress in all subjects. We aim to maximise all opportunities to support students in achieving their target grades and support them in attaining grades A*-C in English and Maths, as this is a requirement for entry into our Post 16 Level 3 courses.

To support students during the Easter holiday, Bosworth Academy is offering a range of revision classes on Monday 30th, Tuesday 31st March, Wednesday 1st and Thursday 2nd April. We would appreciate it if you could encourage your son/daughter to attend these classes and point out their importance in the lead up to the GCSE examinations.

There are three sessions running per day on Monday, Tuesday and Wednesday and on Thursday students need to opt for one subject –if appropriate. Places will be limited so please return the attached programme, to Main Reception by Friday 13th February or to the Parents Evening on Thursday 5th February, indicating the classes which your son/daughter wishes to attend. The cost of the sessions are £3 per day. All students will receive a personalised timetable the week before Easter, for the sessions they have been placed in. We will do our best to meet the preferences of students but subject to numbers we cannot guarantee that each class will run or may be full; for this reason we ask for 1st and 2nd choices for each session.

Students will need to make their own transport arrangements for getting to and from the Academy. Students are also expected to bring their own lunch; a tuck shop will be open at break and lunchtime. For any students who are in receipt of Free School Meals – the cost of transport will be reimbursed (receipts will be needed) and a packed lunch will be provided.

Last year nearly 300 students attended Easter Revision and found the experience to be extremely rewarding. I hope that you agree that this is an opportunity not to be missed and a great way to kick start revision if this still hasn't started.

Yours sincerely

Simon Brown
