

ON CALL (OC) PROCEDURE

PERSISTENT FAILURE TO MEET OUR EXPECTATIONS AND VALUES OR 'SERIOUS INCIDENT'

Removed to Post 16 by TEACHER

Persistent Failure to meet our Values and Expectations (T1-3 has had no impact) or a Serious Incident will result in students being removed from the classroom and placed in a POST 16 lesson

Where it is not possible for teachers to take a student to Post 16 (Practical Lesson/Isolated Classroom, ON CALL can be used, but it will only be Removed to Post 16 by TEACHER)

OC 1 – Removed to Post 16 by ON CALL

Failure at Teacher level above will result in ON CALL being used. This leads to a letter home, and a lockdown detention the very next day.

OC 2 – Removed to MLT by ON CALL

Failure at OC1 will lead to an immediate morning isolation, afterschool detention *plus the OC 1 sanctions.*

OC 3 – Repeated Behaviours at level OC2

Three OC2 per half term – a warning letter is sent

Four OC2 per half term – student placed onto 12-4 for **THREE DAYS**

On the rare occasion, that it is deemed unsafe for the student to be in lessons, students either will be isolated all day OR sent home. **Sanctions will then be put in place for the following day, as described above.**
