Use of Kettles in School

Students should NOT be using kettles in the Oaks or anywhere else in school. It is a serious health and safety risk.

Hot drinks can be bought in the canteen.

Pathways to Property - Summer Residential for Year 12s - FULLY FUNDED

Pathways to Property is a fully-funded (your students won't pay anything at all to attend), 4-day residential programme at the Henley Business School, University of Reading during which they will find out all about the real estate sector. This opportunity is not to be missed, and will really stand out on a personal statement or CV as independent research into a future degree course and / or career.

An opportunity for Year 12 students to attend a four day, fully funded Summer School at the University of Reading to learn about a career in property.

Every day we are influenced by the built environment around us – shops, offices, industrial buildings, houses and the surrounding countryside all have an impact on the way we live. Did you ever wonder how these properties are developed, whether the buildings going up in our cities are sustainable or how much they are worth? The Pathways to Property Summer School allows students the chance to explore the property industry in more depth. With such a huge variety of roles, from a building surveyor or town planner to a sustainability consultant or financial analyst, there is a role to suit any skillset or personality.

Date: 22-25th July 2019, Venue: University of Reading

Who: Year 12 students from state schools/colleges considering a career in property – either through University or through an apprenticeship

Cost: Nothing! All food, accommodation and travel costs are covered

During the Summer School:

- Learn about the industry and the careers available
- Attend taster lectures
- Get involved in a group project and debate
- Go on site visits
- Meet new people
- Experience life on a University campus

How to Apply: Applications close 31st May, though earlier entries are strongly encouraged. Visit the website at <https://hly.ac/2DHivEf>

At the end of the week, if keen to learn more about property, students can complete a funded work experience placement over October half term, have access to our e-mentoring programme, and if they choose to apply to study Real Estate and Planning at the University, can apply for a bursary up to £30,000 over three years.

Investment Bank Morgan Stanley's Step In, Step Up Programme for Sixth Form Girls

Morgan Stanley is one of the world's leading global investment banks and hosts a one day insight programme called "Step-in Step-up" (SISU) in their London Offices for Year 12 & 13 female students once a year.

Morgan Stanley is made up of many talents and perspectives and our diversity is what makes them unique. What you are interested in and how you approach the world will determine your individual path at Morgan Stanley. The Technology Step In, Step Up programme is an introductory one-day programme designed for Year 12/13 female students. The day will give an oversight into the different technology programmes Morgan Stanley offers, as well as giving participants the opportunity to partake in interactive challenges, panel sessions and career workshops.

Come and learn more about our Technology opportunities and how you can develop your skills in this area. Technology Step In, Step Up is held in July each year and the next intake will take place on 26th July, 2019. Please apply before the deadline of 2nd June 2019 with your CV and cover letter.

Visit morganstanley.com/campus and search for pre-university opportunities to apply directly to the Technology Step In, Step Up programme. Please get in touch with Morgan Stanley if you have any further questions - tech-gradrecteam-eu@morganstanley.com

Barnes Charity Trust – Year 13 Students

The Barn's Charity Trust, Desford, was established at the time of the enclosure of common land in the eighteenth century.

Each year the Trust gives financial assistance to young people from the parish of Desford to help with the cost of necessary books, materials and equipment.

Applicants should be studying a higher education course at university/college or taking an apprenticeship. Applicants are eligible for a grant each year of their course.

Please write a letter of application, giving some information about the cost of books, materials or equipment you need for your course, together with your full name, address and telephone number and how long you have lived in the parish of Desford. Also include your exam results and proof of your participation on the course or apprenticeship.

Please send your application to :-

Mrs Alex Stretton, Secretary to the Barn's Charity Trustees
11 Cottage Lane, Desford, Leicestershire, LE9 9GF
Email: barnscharity@outlook.com

NB. The closing date for submitting applications is 31 October each year.

Social Area Closed

Please be aware that the Social Area **will be closed** to students from 10 - 22 June 2019 – this is due to the ADT Moderation Samples taking place.
