AON apprenticeships across the country—apply now!

At Aon, we draw on the expertise of 50,000 people to help the biggest names in business plan for every eventuality. We're currently offering two apprenticeship programmes - and you'll be working in our offices across the country.

Actuarial apprenticeship

Did you know that UK companies have over £2 trillion invested in pension schemes? It's a huge sum but is it enough for them to meet their pension obligations in the future? Having provided expert pensions advice for over 60 years, our Actuarial Teams know exactly how to help companies and trustees answer that question. Join us as an Actuarial Apprentice to play an increasingly influential role.

Locations: Birmingham, Epsom, Farnborough, Glasgow, Leeds, London, Manchester and St Albans

Client management apprenticeship

Hundreds of UK employers, from FTSE 100 companies to smaller firms, turn to our Retirement and Investment Business for advice in many areas of running a pension scheme – making theirs more effective, reviewing fund managers, communicating benefit changes or reducing costs. As a Client Management Apprentice, your role will vary daily as you get involved in a full range of client issues and learn the skills needed to become a valued advisor to our clients.

Locations: Birmingham, Bristol, Epsom, Farnborough, Glasgow, Leeds and Manchester

Insurance and reinsurance apprenticeship

Insurance, Reinsurance and Risk Management are the cornerstones of every company's capital structure. We help our clients identify their risks and ensure they have the best possible cover to mitigate them. As one of our Insurance Apprentices, you'll get to play an increasingly influential role.

Locations: Birmingham, Bristol, Chelmsford, Leeds, London, Newcastle, Redhill (Surrey) and Reading

Who can apply?

Entry Requirements:

- 112 UCAS points from your top three A Levels (or equivalent) {for insurance apprenticeship} or 104 UCAS points from your top 3 A Levels (or equivalent) {for client management apprenticeship}.
- Five grade A* - C GCSEs including Maths and English

Skills needed:

- Excellent verbal and written communication skills
- True understanding of the value of customer service
- Clear aptitude for teamwork, planning and organising
- Keen desire to build on your basic understanding of insurance and progress your career quickly
- Positive attitude
- Team player
- Adaptable

Where would I be working?

Our regional office locations are all centrally located in either the town or city centre and are usually within walking distance of the main public transport links. The teams that are based in these locations tend to be smaller, closer-knit teams offering apprentices the same level of exposure to senior leadership and the same career development and learning opportunities that are offered in our London office. We operate an agile working policy, which means all colleagues are equipped to be able to work from any location, this provides apprentices with the opportunity to work with and learn from different people every day.

University of Cambridge Open Days

Our University-wide open days are happening on 4th & 5th July! The Cambridge Open Days are for prospective applicants in Year 12 and booking for these either day is essential.

Please be aware that only Partial Access tickets are now available for both days. These allow you access to the University Departments and Undergraduate College, but does not grant entry to general and course presentations.

The Open Days are a great chance to learn more about the University in general, get a sense of what College life is like, explore the variety of courses we have on offer, and speak to current Cambridge students about their experiences.

Many of the departments and colleges will be open on the day for you to have a look around and staff and students will be on-hand to answer any queries you may have!

For more information about the open days, including a link to the booking form, please visit: <https://www.undergraduate.study.cam.ac.uk/events/cambridge-open-days>

To find out what's on offer at Pembroke College on 4th and 5th July, please visit our website.
