CUSU Shadowing Scheme - What is it?

The Shadowing Scheme, now in its twentieth year, is run by Cambridge University Students' Union (CUSU). It is aimed towards talented, state-educated Year 12 students (S5 in Scotland, Year 13 in Northern Ireland) who are on track to achieve A*AA in their A Levels (or equivalent) and have little family experience of university.

The Scheme is about demystifying some of the myths and misconceptions surrounding Cambridge, and giving high achieving students an opportunity to experience life at Cambridge!

During their three day visit, students 'shadow' a current undergraduate studying a subject in which they are interested. They accompany them to lectures, classes and supervisions whilst staying in one of the Colleges that make up the University. The Scheme also includes an admissions talk about applying to Cambridge, delivered by an Admissions Tutor.

Prior to arriving at Cambridge, shadow students are also able to communicate with their undergraduate mentors using a secure e-mentoring system. For the students' safety, only their first names are passed onto their mentors and all mentors undergo DBS checks and training.
