Autumn 2019

TO LEARN TO ACHIEVE

## Storming Ahead!

During the summer term students from both Bosworth Academy and The Winstanley School put on an amazing show. It was a fantastic collaboration between our schools, with the students in charge of every aspect from stage management, designing of visuals, performing, hosting and judging.

The student judges deliberated and decided upon a winner. This year Bosworth took home the trophy! The winners collectively known as Brainstorm, a 4 piece rock band are Dylan, Naomi, Finlay and Vincent. The band were awarded the trophy and title following an electric performance of Green Day's 'Welcome to Paradise' and closed the show with an equally strong track by the Arctic Monkeys. Students showcased such talent and variety from Magic, Dance and Music performances. We're already looking forward to next year where Bosworth will host.

## Congratulations Class of 2019

**Our Class of 2019 at Bosworth Academy are celebrating yet another set of brilliant GCSE results.** As our first cohort of students taken through from year 7 we have many outstanding successes which we are so proud of.

Despite the rigour of new reformed GCSEs students have continued to achieve above national expectations across a range of subjects. Through their accomplishments, many students are today making the transition to Sixth Form study at Bosworth Academy.

**Simon Brown, Head of School said:** "Congratulations must go to all of our students for their GCSE success. It was a delight to see so many of our hard working students achieving results that were better than they ever imagined. I would also like to acknowledge the commitment and determination shown by staff to support our students."

Charlie, who achieved phenomenal grade 9s in Sciences commented, *"I am so amazed with my results. I worked really hard. All the revision paid off. What was so amazing was every time I opened up the exam paper it was something I'd revised! My mum is so thrilled. She was always there for me, especially when I was grumpy."*

Grace, who was really pleased with her grades, said, *"Bosworth was the most amazing experience of my life and I can't wait to come back for my A Levels."*

Bosworth Academy is a highly inclusive school and take students from a range of educational backgrounds. Staff focus on ensuring that learning is relevant, engaging and creative so that students are engaged in what they do and aspire to **'be better than they thought they could be'**.

OUTSTANDING academy at our

# OPEN EVENING

Thursday 19th September  
5pm - 8pm

Keep up to date with all our news....

# Enterprise Experience

At the end of last term Year 12 took part in a one day project to introduce them to the concept of Enterprise in preparation for a successful working future.

The challenge focuses mainly on the identification and development of the skills and qualities necessary for a successful future through the carrying out of a range of exciting but challenging team activities. Each team were asked to produce an electronic Business Plan with a 5-minute video presentation with the best two teams going through to the final challenge at the end of the day.

Throughout the day students developed and demonstrated key skills and employability skills such as communication, working with others, improving their own learning and performance and problem solving, time management, perseverance and willingness to learn.

WHERE COULD BOSWORTH ACADEMY TAKE YOU?

## SIXTH FORM OPEN EVENING

Thursday 24th October  
5pm - 7.30pm

TO LEARN TO ACHIEVE

# Amazing A Level Results

Bosworth Academy students and staff are once again celebrating another amazing set of A level and AS level results. After months of hard work, students have achieved the results required to see them progress to their choice of University. Incredibly, a third of over four hundred exam entries were either an A\* or A grade!

**Simon Brown, Head of School,** said *'The results achieved today reflect the incredible progress that our sixth form students have made through their determined practice and dedication to learning. A record number of students have achieved the extremely demanding A\*/A grades and as a result are accessing top universities including Oxford. Their achievements are a testimony to the commitment and expertise of Bosworth staff who care for our students deeply. A huge well done to all!'*

**Some individual successes included** Jack Rawson who achieved A\*A\*A\*A\* in Maths, Further Maths, Physics and Computing and is going to read Maths and Jack Roe who achieved A\*A\*A\*A\* in Chemistry, Maths, Further Maths and Physics. They will be studying at Oxford University following their fantastic achievements. Deevani was delighted with her A\*A\*A in Biology, Chemistry and Maths and is going to

read Medicine at Imperial College London, Millie achieved A\*A\*A in Biology, English Literature and Chemistry and is going to study Medicine at the University of Nottingham and Emily was overjoyed with As in Biology, Business Studies and Chemistry and is going to study Diagnostic Radiography at the University of Derby.

Parents recognised the help, support and opportunities which staff at Bosworth Academy offered to students to enable them to achieve. Brent was a latecomer to our sixth form after poor results at his previous college and was overcome with emotion after receiving the grades he needed to progress on to a Pharmacy Degree at University, his mother said:- *"I have nothing but praise for Bosworth! You opened your doors to my son, when another school closed theirs. He has been motivated and empowered by your teachers. Thank you, thank you. Thank you for believing in him."*

Beyond success measured in grades we are confident that our young people leave Bosworth having developed student agency – embracing creativity, being reflective and acting responsibly to effect change. We strongly believe that our students have both the will and ability to positively influence their own lives as well as the world around them.
