

# Bosworth Bake Off Series 2

## Welcome to Series 2 of the Bosworth Bake Off

In these strange times of working from home the challenges set by the Bosworth Bake Off have given students, staff and families a little bit of competitive fun, SO here we go again. If you didn't get involved last time...now is your chance. New challenges lie ahead....

Recipes can be from your favourite website or cook book at home.

Cooking is therapeutic and I'd love to share images of creations made by students, staff and family members at Bosworth Academy

If you have ingredients and would like to join in, please read on.

- The Bake Off is open to all students, staff and families.
- You do not have to take part every week; join in when you can.
- KS4 and KS5 students should work independently, but with permission from home..
- Staff should work independently unless you have little helping hands at home to entertain too!
- KS3 students may ask for help, for example when using the oven.
- KS3 students must have some form of supervision – please **DO NOT** cook alone in the house.
- For each challenge judges will award a winner for the different categories, with Star Baker being the goal.
- There will also be a category for people submitting products they are proud, not linked to the weekly challenge – (flexibility as we know getting hold of certain ingredients can be problematic).
- There will be a prize for the Star Bakers each week.
- The competition is open to your families too.... Parents, guardians, siblings and children of staff - our Community.

Without being able to taste the dishes, judging will be based on; the range of skills demonstrated, creativity and the presentation of the final dish.

## TOP TIPS....

- I will be sharing some of these images, so be mindful of what is in the background.

**Good luck!**

# Enjoy your Bake Off Treats & Connect with the Community....

You have made your delicious treats, but now what...?

**Here's one idea- Take part in the Young Minds Give and Cake.**

The idea is that you make contact with a loved one, have a chat and enjoy your treat at the same time. Ideally they would do the same. Cheer each other up and stay connected with those important people around you. Go to [www.youngminds.org.uk](http://www.youngminds.org.uk) for more details and some conversation starters

Donate what you would spend on a cake & hot drink to Young Minds to enable them to continue to support those who need it.

Take a photo of your chat and share it with [rharbour@bosworthacademy.org.uk](mailto:rharbour@bosworthacademy.org.uk)
