TO LEARN TO ACHIEVE

Hello and Welcome to our last Careers Newsletter of the end of this Academic year!

We hope you have enjoyed reading the previous newsletters and got to know more about different careers and routes there are out there.

We will be continuing these newsletters in September with lots more new information, advice and guidance!

We would like to remind all Year 11s to check their PS16 and take appropriate actions to secure a place at college.

On week beg 29/06, our year 10 students, as part of their face to face provision, had a career lesson delivered by our staff. Students were reminded about what pathways are available at the end of KS4 and they were encouraged to start researching options over the summer. We also sent the video link and a Google form for students to fill in to help us plan our career provision for next academic year. Parents will also be sent an email communication with advice on how to support their children and useful websites.

This is a link to the video our students accessed during the lesson:

An assembly called Are you future proof? Was also sent to students that same week and can be accessed here <http://www.bosworthacademy.org.uk/assembly-29-06-2020/>

On a final note, we would like to wish everyone a well deserved break and all the Year 11s Good Luck and farewell too!

Local support for careers over the summer

The Leicester Employment Hub have a free Apprenticeships Interviews (and support) Service, young people should complete the form at

www.leicesteremploymenthub.co.uk/job-seekers/apprenticeship-interviews-service/, they also tweet regular job and apprenticeship vacancies on Twitter, see @leicester_hub (ages 16 plus).

The LLEP area JobCentrePlus (DWP), with wider partners will be holding virtual jobs fairs over the summer period, tweeting out local vacancies, see Twitter handle @JCPIInLeics, which already shows a stream of vacancies and application help, (ages 16 plus).

The Connexions team is available all summer to help city resident young people (ages 16 to 18) who are uncertain about what they will be doing from September, or if they have now changed their mind about their post-16 plan: email connexions@leicester.gov.uk or see leicesteremploymenthub.co.uk/connexions
Text: 07422 128 278 or call 0116 454 1770

The National Careers Service is also offering free careers support for young people aged 15 upwards, with impartial advice on options, next steps, apprenticeships, jobs, FE or HE, and CV support. Young people can call 0116 2615 907, the local area Futures office, for help. Also follow @CareersEMids on twitter.

Calling all Parents! Have a look at this downloadable guide created to help you steer your children through the confusing world of career choices.

Big Bang Digital 2020 - Science, Engineering & Covid-19

Mark it in your calendar for a day of inspiring online sessions to give young people a front row view of the incredible contribution of scientists, healthcare professionals, engineers, technicians and students in responding to Covid-19.

Sector Spotlight Sessions: Check out these YouTube videos on different professions and what they do.

When most people think of health linked roles, they generally think of doctors and nurses. **I See The Difference, Careers in Allied Health** has organised a series of summer webinars to convey the broader range of health related careers. Find out more and register here: <https://iseethedifference.co.uk/join-us-for-our-free-webinar-series-careers-in-allied-health/>.

**I see the difference
I can make to
people's lives**

A new youth magazine, **Voice**, has been launched, a magazine and platform for young creatives covering arts, culture and politics, with lots of **creative careers related content**, live sessions and advice for young people, by young people in the sector. See: <https://www.voicemag.uk/hangout-with-voice>

Want to know more about the Royal Air Force? [Check out this YouTube Clip](#)

In case you missed it! Here's a chance to **access all of the videos and resources** from Future Me (a series of **live, meaningful, virtual encounters** for students with local employers), including the recorded Q&A parts with employers on 'catch up'. The **recorded sessions are available on YouTube** [here](#). All the **worksheets are available** [here](#).

Virtual Work Experience

Applications open soon. The University of Law are holding virtual work experience scheme which will run in August. This will give you the chance to **network with lawyers**, develop employability skills and take part in "mock" tasks that mimic what **working for a law firm** is really like. To find out more email: undergrad@law.ac.uk.

University Fairs

The exciting and informative events provide you with the opportunity to speak to a wide variety of universities, colleges and apprenticeship providers – as well as attend vital seminars, in order to make informed choices about their future. Whether you are a Year 13; ready to complete your UCAS application/ starting your careers/apprenticeship applications; a year 12 exploring which higher education/ apprenticeship pathway is right for you, or a younger student simply looking for inspiration, our spectacular university and apprenticeship stadium events will enable you to make the right decisions.
