Cycling to School

If you cycle to school, please ensure you are wearing a helmet – it could save your life.

Lanyards

You should be wearing your lanyard and ID card from the start of the school day to the time you leave. If you forget it, please come to the Post 16 Office at the start of the day to get a temporary one.

Student Fundraising Group

We are looking for a group of students who are interested in creating a fundraising group. These students would help to organise fundraising activities and also decide on the charity days that we support.

All students will be involved in their tutor group's 'support a charity' (more details coming soon) but this opportunity would suit students who are interested in developing their citizenship skills further.

If you are interested please email Becky Harbour or Louise Holdback.

Research and the COVID-19 crisis - 21/9/20 – INVITATION from DMU

Research and the COVID-19 crisis online speed lectures and a panel discussion

We are pleased to invite you to our series of online speed lectures led by De Montfort University research academics. Our online speed lectures will reflect on how research can help communities deal with the COVID-19 crisis.

We hope that you will be able to join us for these current and thought-provoking lectures. Places can be booked up to one hour before the event. Further information regarding each lecture can be found on our DMU events webpages

Registrants will receive a link to join the webinar 2 days before the event, via their provided email address. Please contact the DMU Events Office on eventsoffice@dmu.ac.uk if you have any questions.

21 September 2020

Registration is Now Open for 'What Career Live' and 'What University Live'!
