GCSE TEXTILES

GCSE textiles is an art based textiles course. You will study different textile techniques through a series of projects. The focus of the course is working with fabrics and designing for fashion/accessories/textile art.

Year 9 is a skill building year where you will learn skills such as sewing, embroidery and fashion drawing. During year 10 and the first term of year 11 you will create a coursework portfolio and final piece. During the last two terms of year 11 you will complete your exam project, this is a project set by the exam board. You will be required to complete a final piece during a ten hour supervised exam.
