GCSE GEOGRAPHY - OVERVIEW

- The Geography department is offering a new specification from 2016 at GCSE – the “B” specification from Edexcel.
- The subject will best suit students who are thoughtful, critical and strong in terms of reading and writing.
- The course is a dynamic and interactive one that is issues based – and gives students the chance to engage with and adapt to the changing world around them.
- The course is supported by a programme of UK Based fieldwork – up to 2 days at urban, rural, and river locations.
