GCSE SCIENCE

KEY STAGE 3

Year 7 and Year 8 students follow a combined practical course that is based on the 'Activate' programme. (Oxford University Press)

Assessment

Practical skills will be assessed during the year and there will be three formal examinations.

KEY STAGE 4

GCSE Triple Science

This course is taught separately as Biology, Chemistry and Physics by highly qualified subject specialists, and will lead to three separate CGSEs in those subjects. It is highly suitable for students who may wish to go on to study A Levels in Biology, Chemistry and Physics.

Assessment

6 examinations: 2 in each subject taken at the end of Year 11. There will be NO coursework element.

We believe in recognising the individual learning needs of each student
