

## **Covid-19 testing at home throughout the Easter** holidays

Following the success of the asymptomatic testing programme on the return to school, it is vital to keep testing at home throughout the Easter holidays and into the summer term. Your child will be given a new supply of tests on either Thursday or Friday this week. Please remember to -

- test twice a week at home from now on
- report results online and to Bosworth Academy as positive, negative or void.
- continue to test twice weekly over the Easter holidays
- test before returning to school for the summer term, either the night before, or morning of, the first day back, to find and isolate any positive cases

Families and households can also access home test kits for adults. Parents and carers of children who have been advised to self-isolate by their school or by NHS Test and Trace are now able to apply for a Test and Trace Support Payment or discretionary payment of £500, if they meet the eligibility criteria.

Thank you for your ongoing support.
