Parking on Foresters Rise

Please note that the Police will be checking parked cars on Foresters Rise every few days now, after the trouble earlier in the week. Please do NOT park your car there at any time.

Nottingham Summer Schools - applications close 9th March!

Just one week to go until the Nottingham Summer School application deadline – midday, 9th March 2022.

We would particularly encourage applications for the following academic streams which are currently under-subscribed (and less competition for places):

- Chemistry
- Environmental Sciences
- Geography
- Historical Studies
- Literature, Language and Culture
- Pharmacy
- Philosophy, Theology and Ethics

Please do share this information with your year 12 students as soon as possible. They can find further information about the summer school and apply online at www.nottingham.ac.uk/suttontrust.

Free (Y13 and Y12) subject Taster sessions with the University of Sheffield

At the University of Sheffield, throughout Spring and Summer there are a number of (completely free) opportunities for primarily Y12 pupils but some Y13s within your schools to join us for our online subject specific Taster sessions.

All of the activities are completely free of charge and will provide pupils with a good insight into their chosen subject or area of interest at university.

Please ensure that you fill out the booking forms individually using the links below:

Mazars - Access Accountancy Work Experience programme for year 12 and 13s

This is a great opportunity in Leicester for those in Year 12 and 13 to enhance their employability skills and to gain work experience virtually over the summer and within a top professional services firm.

Are you interested in a career in accountancy and want to learn through experience?

Discover your future career choices, learn more about our profession and enhance your employability skills as part of a unique one-week work experience programme.

During the week you'll take part in:

- Introductory virtual workshops in accounting and sessions on the different types of career opportunities available within our industry – including networking with Mazars employees
- An interactive group case study to work on together throughout the week
- Work shadowing across several departments providing the opportunity to gain an understanding of the different areas of our business (we are aiming to run these sessions in the local offices, depending upon Covid19 restrictions)
- Interactive virtual employability sessions including application, interview, and presentation skills training
- The opportunity to fast track onto an assessment for one of our school leaver roles for 2022 or 2023 depending on your year group.

Our Future Choices: Access Accountancy programme is open to Year 12 and 13 students within the UK. In line with our commitment to improve access to our profession to those from all backgrounds, this initiative is targeted towards those students meeting the eligibility requirements set by Access Accountancy

We pay travel expenses and provide lunch each day. If you are interested please click on the relevant links below:
