## November 6th NHS Virtual Work Experience

Another LIVE work experience day is taking place on Sunday, 6 November 2022.

With the UCAS deadline for NHS Health Careers in January, students considering a career in healthcare need to gain as much work experience as possible. We strongly encourage all students (including those who attended October's session) to register. No two work experience days are the same.

Students can register for November's session using the link below: <https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

This programme is suitable for students in years 10/S3/NI11 - 13/S6/NI14 who are interested in the following careers:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and Orthotics
- Speech and Language Therapy
- Pharmacy

Once you've registered, students will be emailed links to your virtual work experience portals.

Students are awarded a Work Experience Certificate for every session they complete. Those who complete the full 5-month programme will be awarded a Highly Commended Reference from the Presidents of Allied Healthcare Mentor. These are fantastic additions to their CVs and UCAS applications!

During the work experience day, students will follow 2 patients from their initial presentation to recovery. They will gain a unique insight into how patients interact with various healthcare professionals and what it's like to work in an NHS multidisciplinary team.

Attendees will have the opportunity to interact with healthcare professionals throughout each day. This will empower students to make informed career decisions and demonstrate their commitment to healthcare in their UCAS applications.

Students can register individually at any time throughout the 5-month programme using the link below. We recommend booking early to gain as much out of this programme as possible. Places are £10 a session to cover administrative and technological costs.
