Medical Pathway Careers Event at DMU

If you have any students that are interested in joining the healthcare field, and are currently exploring their options, then it would be fantastic join us on Wednesday 7 December for our Medical Pathways Careers Event at De Montfort University (DMU).

Students can come along anytime between 5-7pm to learn about the diverse courses we offer; that can help them realise their potential into to a career helping diagnose, treat, rehabilitate, and care for others.

We are bringing together multiple subject areas within health science and healthcare and at the event you will be able to find out about:

Audiology	Paramedicine
Biomedical Science	Speech & Language Therapy
Diagnostic Radiography	Psychology
Nursing & Midwifery	Pharmacy

Come and chat with the academics teaching the courses and explore the specialist facilities that could help take learning to the next level; the mock-hospital simulation wards, a practice pharmacy dispensary, a diagnostic radiography suite, and a pop-out ambulance.

Students don't want to miss this fantastic opportunity and learn everything they need to know about the different fields of study into the world of health care and science.

Book your place here:- https://www.dmu.ac.uk/health-life-sciences/undergraduate/medical-pathways-careers-event-wednesday-7-december-5-7pm.aspx?utm_source=SAPHybris&utm_medium=email&utm_campaign=SEND_TEST&utm_term=Email%20Lite_Link&utm_content=EN

This event is suitable for students studying in years 11, 12 or 13 and those considering applying for university in either 2023 or 2024, and is open for you to bring along friends, family members, or anyone that supports you.

Open Day - If you can't make the Medical Pathways Careers event you can book on to our next Open Day on Saturday, 19 November. You will be able to tour the campus, meet with our supportive team of academic and current students and learn more about at DMU. https://www.dmu.ac.uk/study/undergraduate-study/open-days/university-open-day-booking-webform.aspx?utm_source=SAPHybris&utm_medium=email&utm_campaign=SEND_TEST&utm_term=Email%20Lite_Link&utm_content=EN

If you are looking to start university in 2023 you can apply now!
