## Year 12 Students - University of Nottingham Summer Schools - Places still available!

Our Nottingham Summer Schools applications are still open and are a fantastic opportunity for your Year 12 students!

Participants will enjoy a 5-day residential Nottingham experience in their choice of subjects and will also receive support with the UCAS application process and HE transition through Year 13. We would particularly encourage applications for the following academic streams which are usually under-subscribed (and less competition for places):

- Chemistry
- Environmental Sciences
- Geography
- Historical Studies
- Literature, Language and Culture
- Philosophy, Theology and Ethics

Applications are open until 10 March 2023, and students can find further details, watch our info talk and apply at [www.nottingham.ac.uk/suttontrust](http://www.nottingham.ac.uk/suttontrust) <http://www.nottingham.ac.uk/suttontrust>. We will also be running an information talk: <https://app.geckiform.com/public/#/modern/21FO00rwrn8kvv009r0uqqb5g4> on Wednesday 22nd February which is a great opportunity to ask further questions. Please do circulate this to your year 12 cohort. The attached digital leaflet may also be useful.
