A specially selected programme of revision classes in the run up to your final exams!

How it works:

You'll receive an email one week before each masterclass with an attached Google form from Ms Alexander. If you want to attend that session, complete the google form and submit.

You will then be given a ticket by the teacher of the subject you've signed up for.

Arrive at the canteen at 3:10pm on the afternoon of the masterclas with your ticket and you can exchange it for a slice of Dominos pizza. You can only get pizza if you have a ticket!

In addition, teachers will do a draw where you can win a £10 high street vouchers.

You can also get points towards your prom passport for attending!
