

21st April 2023

Weekly Newsletter for Parents & Students

Welcome

I hope all families had an enjoyable and restful Easter break. I would like to wish those of you celebrating Eid today a joyous and memorable time with loved ones. Eid Mubarak!

As many of you will know, the next industrial strike action planned by the NEU looks like it will go ahead on Thursday 27th April and Tuesday 2nd May 2023. Parents can find the NEU explanation of their dispute with the government here; [leaflet](#) and [campaign](#).

The teaching unions sought to settle this matter through negotiation but the government's offer failed to sufficiently address pay and conditions, and, critically, did not provide enough funding to support the proposal it put forward. The proposal required schools to provide 4.5% of the wage increase from existing budgets, with only 0.5% coming from additional funding from the government. This would have a significant and detrimental impact on Bosworth Academy's budget, particularly on our staffing levels, curriculum offer, resources and wider enrichment that we provide for our children. Following the rejection of the offer by all education unions involved; ASCL, NAHT, NEU and NASUWT, the government has not reopened negotiations and has said only that the issue of pay will now revert to the School Teachers' Review Body.

Other unions are now moving towards a formal ballot reflecting the fact that we have reached a desperate situation in education regarding inadequate funding, long-term pay erosion, and teacher shortages as well as retention challenges.

For these two strike days the NEU have shared dispensation guidance to be agreed with Headteachers to minimise disruption to Year 11/13 exam preparation. In my discussions with our NEU representatives we agreed that striking NEU teachers will set revision activities or exam practice for students, including for our Year 12 students, who in most cases are sitting AS examinations.

With an increase in NEU membership in school, in consultation with the Governing Body I have once again made the difficult decision to restrict attendance to school for some year groups. Due to the expected numbers of teachers taking industrial action we can only open safely for the following year groups who are in their examination year;

On Thursday 27th April 2023 - students in Years 11, 12 and 13 must attend school as normal.

On Tuesday 2nd May 2023 - students in Years 11, 12 and 13 must attend school as normal.

Our teaching and support staff will look to ensure that there is good quality learning taking place for these students in school and there will be specialist subject support still available in nearly all classes. On previous industrial strike days the attendance of students matched a normal day at 95% and we expect this to continue for these two days given the proximity of formal examinations.

The calendared coursework examinations for Art & Design students will go ahead as planned on the strike days. Remote learning tasks will once again be set with support resources on the Google Classroom in a variety of subjects for each year group. Links to this learning will be shared with parents as well as students in a separate communication so you can discuss this with your child.

Remote education at home:

On Thursday 27th April 2023 students in **Years 7, 8, 9 and 10** are **expected to learn from home.**

On Tuesday 2nd May 2023 - students in **Years 7, 8, 9 and 10** are **expected to learn from home.**

Vulnerable students and those who are entitled to free school meals will be contacted separately about the arrangements.

I understand the impact and disruption that this action will cause year groups working remotely and I know it will cause you inconvenience and difficulties. I again thank you in advance for your support and understanding during this difficult, disruptive period, and hope that a resolution can be found soon to prevent this disruption and avert these upcoming strikes. If the situation changes I will of course let you know next week.

Mr Brown, Headteacher

KS4 Colours Evening

On Wednesday we celebrated the achievements of our students in Years 9-11 during our Key Stage Four Colours Evening.

At the start of the award ceremony Headteacher Mr Brown discussed the 6Cs and how these competencies are desirable for employers and will set up the students for success. Students who have excelled in these 6Cs were then rewarded with certificates in each of the competencies whilst those with 150+ Reward Points received a Gold Award.

A special Headteacher award for gaining 200+ Reward Points was also awarded to students with a special badge in recognition.

Well done to all students involved and we look forward to holding future events to celebrate the success of even more students.

Eid Mubarak

Eid Mubarak to all those celebrating!

Attendance and Punctuality

Good attendance and punctuality at school and to lessons is essential for students to achieve their full educational potential. It is also vital for students to form good habits for later life. Punctuality records form part of references passed onto employers or higher educational institutes. Punctuality at Bosworth Academy is good and I thank you for working together with us to achieve this.

Expectations:

- The school day begins at 8.40am and all students are expected to be in school for their lesson by this time, regardless of the distance they may have to travel. Students who arrive after 8.40am, will have a detention issued (unless they travel on the 153 or the school bus is late). Students arriving after this time must sign in at the attendance office.
- The School operates the Truancy Call System to notify parents/carers if their child has not arrived in school.
- Parents/carers can help by notifying us in advance about planned absences, and arrange medical or dental appointments outside the school day, where possible.
- Bosworth Academy requests that parents/carers contact the School by 9.00am to let us know if their son/daughter is going to be absent.
- Parents/carers are strongly advised to avoid taking their children on holiday during term time and requests during term time will not be authorised. Fines can be issued for holidays taken during term time. Please be aware that there are assessments and trial exams throughout the academic year for all year groups.

Lateness to Lessons:

- Any student arriving to lessons after the register has been taken will be classed as 'late'. The register will be marked with the 'L' code.
- If the student doesn't have a valid explanation of their lateness to the lesson, the teacher will record in the behaviour section on Arbor as 'Late to lesson'.
- As a result of being late to the lessons three times in a week the sanctions will include, but are not limited to, the student losing their break time or lunchtime for one day but could be extended to up to a week for persistent offenders.

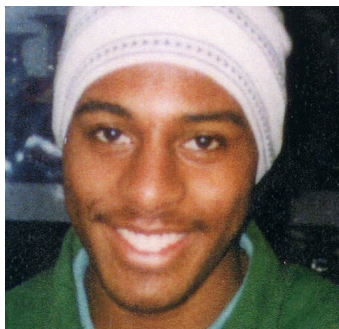

Mrs Whitaker, Senior Leader

[Back to Contents](#)

Stephen Lawrence Day

Stephen Lawrence Day is on Saturday 22 April and Bosworth Academy will be reflecting on the part we all play in creating a society in which

everyone can flourish. It is an opportunity for young people to have their voices heard and create a society that treats everyone with fairness and respect. Through Stephen Lawrence Day we want young people to be inspired about what

they can achieve in their own lives whether in their classroom, their community or a career. We want them to get involved in creating the kind of community they want to live in and we want them to have a strong voice in building a fairer and more inclusive society.

Stephen Lawrence was 18 and studying for A-levels with aspirations to become an architect when on Thursday 22 April 1993 he was surrounded by a group of white youths and attacked. Stephen was later pronounced dead on arrival at hospital with two five-inch-deep stab wounds to his arm and chest.

As Stephen Lawrence Day is on a Saturday this year we will be remembering him throughout the following week in tutor intervention and will have a dedicated assembly on Friday 28 April led by Stephen Lawrence Ambassadors. **On the same day we encourage everyone to wear an orange item of clothing with orange being Stephen's favourite colour.**

Students will be able to choose to substitute ONE piece of uniform for an orange item. The options are to swap:

1. Tie
2. Shirt (with a collar to wear a tie)
3. V-necked jumper
4. Ribbons in hair
5. Socks
6. Shoe laces

The rest of the clothing must be in line with the uniform policy. There should be no t-shirts, jeans, hooded jumpers etc.

If you would like to get involved or find any further information, please visit:

<https://www.dmu.ac.uk/research/centres-institutes/stephen-lawrence-research-centre/a-challenge-to-conscience-a-legacy-of-hope.aspx>
<https://stephenlawrenceday.org/community/>

Mrs Moran

New Uniform Provider

We have recently changed our school uniform supplier to [School Wear Solutions](#). They will provide uniforms for both Key Stage Three and Key Stage Four students. We hope that the change in supplier will mean an improved service for parents. The added benefit of our new supplier is that in addition to items being available from their website they do have a physical shop where they keep a stock of our uniform. The shop is in Oadby at 64 London Road, LE2 5DH.

For our prospective parents who will be joining us in August we will still have a uniform trying on session at our parent information evening in June.
Mr Moore, Assistant Headteacher

Quality Assurance

At Bosworth Academy, we are committed to providing the best possible education for our students. That's why we use peer-on-peer reviews and quality assurance processes to evaluate our teaching and identify areas where we can improve. We recently underwent a Quality Assurance review

facilitated by Challenge Partners, an organisation that provides support and guidance to

schools in the UK. We have a lot to be proud of following this review, as we received valuable feedback on our provision including identified areas of strength to build on.

As part of our commitment to transparency and involving parents in the improvement process, we plan to share the outcomes of the Quality Assurance review with parents in the near future. This collaborative approach to improvement ensures that parents are engaged in their child's education and that we remain accountable to our stakeholders. We will continue to use peer-on-peer reviews and quality assurance processes to enhance our teaching and learning practices, ensuring that our students receive a high-quality education that prepares them for their future.

Mr Dolinski, Deputy Headteacher

[Back to Contents](#)

Sports Day 2023

We are excited to inform you about the annual Bosworth Academy Sports Day. It is always an important event in the Summer Term calendar, which is an inclusive event offering a variety of activities to suit students of all abilities and interests. We believe

it is an opportunity for all students to have a personal best aspirational attitude, demonstrate important social skills as well as show courage. All of these values are part of the 6C framework that we buy into at Bosworth both in and out of the classroom.

As in previous years we will be holding the Sports Day at Saffron Lane Athletics Stadium during school time on Monday 10 July. All students will represent their tutor group in a variety of events, such as traditional athletics events, as well as non traditional events, such as tug of war, welly wanging and other challenges. Awards will be presented for, not only the most successful tutor group in the events, but also to individuals who demonstrate many of the 6Cs (character, collaboration, creativity, citizenship, communication, critical thinking). New for this year there will also be quizzes and journalism tasks to take part in for additional points in the build up to the day.

The Sports Day will always be part of the school calendar but in order that students can experience it in a stadium, rather than on our school field, we are asking parents and carers to make a contribution of £5. This will allow us to hire the buses and the state of the art facilities. Payment for this can be made on sQuid by Friday 30th June. If you have any issues in accessing sQuid then please contact the office on office@bosworthacademy.org.uk.

Many of our current and ex-students tell us Sports Day features as one of their favourite memories of their time at Bosworth and we look forward to creating an event that will help produce new positive memories. Highlights from last year's Sports Day can be found by scanning the QR code.

Mr Grest,
Assistant Headteacher

Sports Day Sponsorship

At Bosworth Academy we run an annual Sports Day for all students in Year 7-10 which is around 1000 students. We run a mixture of traditional and non-traditional events and host the day at Saffron Lane Athletics Track in Leicester. We believe that giving students the opportunity to compete in a high quality environment really adds to the day and is an unforgettable experience for all involved. Year on year the cost of the event increases so this year, to help fund the event, we are asking companies if they wish to sponsor the event alongside fund-raising activities led by each tutor group as well as asking for contributions from parents.

Please get in touch if you would like to sponsor this event to help with the costs and ensure that we can continue to give our students this experience. Your company's name will be shared on our social media channels and also in our 'In the Loop' newsletter and via communication with parents regarding the event. These are suggestions and can be discussed or adapted:

- £500 - Sponsorship of the Sports Day
- £250 - Sponsorship of the transport
- £100 - Sponsorship of the stand
- £25 - Sponsorship of an event

If interested then please contact Liam Grest (liamg36@bosworthacademy.org.uk) to discuss how you can support this.

Mr Grest, Assistant Headteacher

Emily RFU Visit Inspires

Last month we told you how the [England Rugby Football Union filmed](#) former Bosworth student, Emily Scarratt, coaching our current crop of female rugby players with some of them being interviewed along with Emily.

England RFU have now released the finished edit and you can watch the video [here](#).

As Year 8 student, Connie M, told the interviewer - Emily is a true inspiration to us all!

[Back to Contents](#)

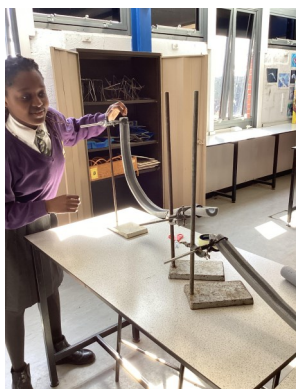

Science Club Activities

In Year 7 Science Club we have been busy making model roller coasters this week. Looking at energy transfers, the students built in loops, jumps and drops and tested them with marbles. The week before Easter we made catapults from lolly sticks and had a competition to see who could launch marshmallows the furthest.

Year 7 Science Club runs every **Tuesday at 12:35PM in S7** - feel free to come along and see what experiments we'll do next!

Mrs Tapp,
Teacher of Science

Year 12 Run Chess Class

A wonderful initiative has been started by a group from Year 12 who decided to engage some Year 8 students in playing chess during our last tutor intervention.

This session aims to enhance the concentration of the students, develop strategic skills, and improve communication skills. The participants are planning to meet again and are looking forward to their next session.

Mr Mainard

Maths Puzzle of the Week

Calling all Bosworth Mathematicians!

This week's Maths puzzle is here and anyone can enter. All you need to do is to write your solution and any working on a piece of paper and place it in the labelled blue boxes outside the Maths office with your name on or email a photo to hbarrowcliffe@bosworthacademy.org.uk. Below is the answer to last week's conundrum as well as this week's puzzle.

Answer: 243

I find this puzzle really interesting. After trying a few sets of numbers I noticed:

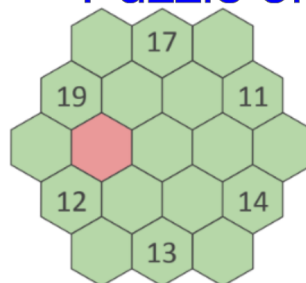

- Using a 1 is just a waste of a number. It adds nothing to the product of your numbers but just means you have less of your 15 left to use.
- Using more numbers is (up to a point) better than having larger numbers.

With that in mind, the largest possible product when you use 1, 2, 3, 4, 5, 6 or 7 numbers is 243.

Quantity of numbers used	Sum	Product
1	15 = 15	15 = 15
2	8 + 7 = 15	8 x 7 = 56
3	5 + 5 + 5 = 15	5 * 5 * 5 = 125
4	4 + 4 + 4 + 3 = 15	4 x 4 x 4 x 3 = 192
5	3 + 3 + 3 + 3 + 3 = 15	3 x 3 x 3 x 3 x 3 = 243
6	3 + 3 + 3 + 2 + 2 = 15	3 x 3 x 3 x 2 x 2 = 216
7	3 + 2 + 2 + 2 + 2 + 2 = 15	3 x 2 x 2 x 2 x 2 x 2 = 192

The product peaks when five numbers are used before getting smaller again, so the maximum possible product is 243.

Bosworth Maths Puzzle of the Week

James puts the numbers 1 to 19 into this beehive shape.

Each row, in all directions, adds to make 38.

Hint: the top row is a good place to start.

What number must go in the red hexagon?

Extension: Can you make your own magic hexagon which is different to James' puzzle?

Clubs and Activities

At Bosworth Academy we have a range of clubs and activities during break times and lunch times where students can explore their interests. From badminton to Dungeons and Dragons, science to chess - students can learn new skills and meet new friends.

The break and lunch time clubs and activities are available to all students and a full time table can be found [here](#).

We look forward to seeing you!
Mr Mainard, Associate SLT

[Back to Contents](#)

Parents Join Henrichment

On Wednesday we welcomed parents of our Year 7 students to join our Henrichment class. The students and their parents made towers out of spaghetti and marshmallows with plenty of

Communication and Creativity being shown. This was the first time we have had parents visit our Henrichment class and, from the feedback, they really enjoyed their time. We look forward to having many more Henrichment classes with parents visiting.

Miss Sessions, HLTA

Year 9 Actors Perform

Desford Primary School Year 6 pupils came to Bosworth on Tuesday to watch the Year 9 Theatre in Education Drama assessment performances.

The topics of the performances focused on bullying, Year 6-7 transition and social media, all of which were well received by our audience and teachers thanked us for covering such important and prevalent topics.

The students produced and performed some fantastic work and I am incredibly proud of them!

Mrs Jones, Teacher of Drama

Council SEN Roadshow

Leicestershire County Council will be holding a local SEND Services and Support Roadshow on **Thursday 9th May 10.00 am – 1.00pm** at the George Ward Centre in Barwell.

The roadshow brings together information and services which support families of children and young people with special educational needs and disabilities (SEND) all in one place.

This is a chance to meet and chat with representatives from Leicestershire County Council and its partners. Please follow the [link](#) to book your **FREE** tickets.

Free parking is available at the front and back of the building.

Mrs Croucher, SENDCo

Front of School Access

At the front of the school we have a number of disabled bays for those with blue badges to park their vehicle.

We ask that those without blue badges do not park in these designated bays - we have separate bays for pickup/drop off and for visitors for you to use.

The school buses leave the site at approximately 3.20PM and by 3.25PM the bus park area will be clear for you to pick up your child at this time.

The Compass Library will be open for students to complete homework or reading whilst they wait.

Young Carers

If your child is a [young carer](#) please notify me by emailing nwhitaker@bosworthacademy.org.uk

Mrs Whitaker, Senior Leader

[Back to Contents](#)

Post 16 Canteen Opens

Our new Oaks Social Area Canteen is now open! The canteen will be open for our sixth formers between 10.30AM - 12.30PM every day.

The menu includes both hot and cold food and beverages with vegan options available. Enjoy!

Mrs Brookes, Post 16 Administrator

Mr Worn Runs Marathon

Head of Key Stage Four, Mr Worn took part in the Manchester Marathon on Sunday.

"I was expecting to run it in around 4 hours 15-20 minutes having not trained as much as I would have liked but managed to get around in 4 hours and 1 minute," said Mr Worn. "I went along with my running club and had a great weekend. Everyone in the club ran really well too which was a bonus. "The atmosphere was fantastic and the

weather was perfect for running. I also was spotted on the news for BBC North West!" Well done Mr Worn!

In the Loop Memories

We like to reflect on student achievements and activities by highlighting what happened In the Loop newsletter this time one year ago. In the 8 April 2022 edition we featured the gymnastics success of Year 9 (now Year 10) student Samuel M who won five medals in the East Midlands Individual Apparatus Championships, four of which were Gold. Mr Hall was quoted at the time as saying: "We are so proud of Samuel's success and are looking forward to finding out where his journey in Gymnastics will take him!"

Revision Masterclasses

Our afterschool Year 11 revision masterclasses continue next week with sessions on Science and PE.

Science will be on Tuesday 25 April in S1-S5 whilst PE will be on Wednesday 26 April in PE1. Both sessions will begin at 3.15PM and free pizzas are on offer to all who attend!

A full timetable of classes can be found [here](#).

Student Artwok

Students are getting creative in ADT. For the latest designs be sure to follow [@bosworthacademyadt](#) on Instagram.

[Back to Contents](#)

The Compass

Bedrock March Results

Students have been busy working on their Bedrock Literacy in the month of March. The most recent winners are 7GHI in Year 7 and 8LAR in Year 8. Well done to both tutor groups - can they remain top in April?

Miss Masih, Teacher of English

Latest AR Leaderboards

Our Laureates continue to increase their literacy by reading and completing Accelerated Reader (AR) book quizzes.

7JWI & 7EPY have gone up for one month only, March, but overall for whole year tally classes are keeping their positions, but 7JWI are very, very close to 7ECK now!

8NHU & 8LAR have gone up for one month only and overall, whole year tally, 8SRI has gone up into 2nd place.

Top individuals in March were Myat L with 860,028 words read whilst Jay D read the most in March for Year 8 with 386,958 words.

Myat L has also read the most words year to date with 4,349,114 words whilst Elijah W has read the most in Year 8 with 2,653,959 words.

Full AR leader boards can be found opposite. Well done to all students and continue reading!

Mrs Griffiths, School Librarian

Book Recommendations

Our book recommendations this week focus on the [Yoto Carnegie Medal for Writing 2023 shortlist nominees](#).

We have a great selection of books across all genres and age groups in the Compass Library. Remember—book clubs for Years 7-9 are held every Friday at break time in the Compass.

Key Stage Three

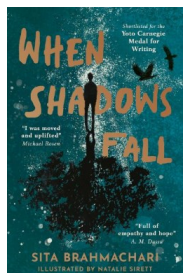

A twist on the Medusa myth, which tells of the ill-fated love between the cursed Medusa and mysterious Perseus.

Exiled to a far-flung island by the whims of the gods, Medusa has little company except the snakes that adorn her head instead of hair.

But when a charmed, beautiful boy called Perseus arrives on the island, her lonely existence is disrupted with the force of a supernova, unleashing desire, love and betrayal... Filled with glorious full-colour illustrations by award-winning Olivia Lomenech Gill, this astonishing retelling of Greek myth is perfect for readers of *Circe* and *The Silence of the Girls*. Illuminating the girl behind the legend, it brings alive Medusa for a new generation.

Key Stage Four

When Kai falls into bad ways after his family is thrown into turmoil due to a tragic loss, his friends try to find a way to bring him back.

"How quickly teenagers fall apart - and how fast they can heal. This is the hopeful message from Sita Brahmachari, a writer who mixes verse and prose to tell stories that

stick." - Alex O'Connell, *The Times*

Kai, Orla and Zak grew up together, their days spent on the patch of wilderness in between their homes, a small green space in a sprawling grey city. Music, laughter and friendship bind them together and they have big plans for their future - until Kai's family suffers a huge loss.

Trying to cope with his own grief, as well as watching it tear his family apart, Kai is drawn into a new and more dangerous crowd, until his dreams for the future are a distant memory. Excluded from school and retreating from his loved ones, it seems as though his path is set, his story foretold. Orla, Zak and new classmate Om are determined to help him find his way back. But are they too late?
