

CASHLESS PAYMENT – HOW CAN I PAY?

sQuad's dedicated school website provides access to the parent controlled account for each pupil, enabling online payment. Parents have the ability to top up cards as well as monitor how their child's money is spent. Both school and parent have complete visibility and reporting of transactions. Parents can view the sQuad website for more information.

www.squidcard.com

Details of how to access the portal will be issued to parents shortly.
